Supplemental Datasets

Supplemental datasets are available on dryad at: https://doi.org/10.5061/dryad.v6wwpzh61

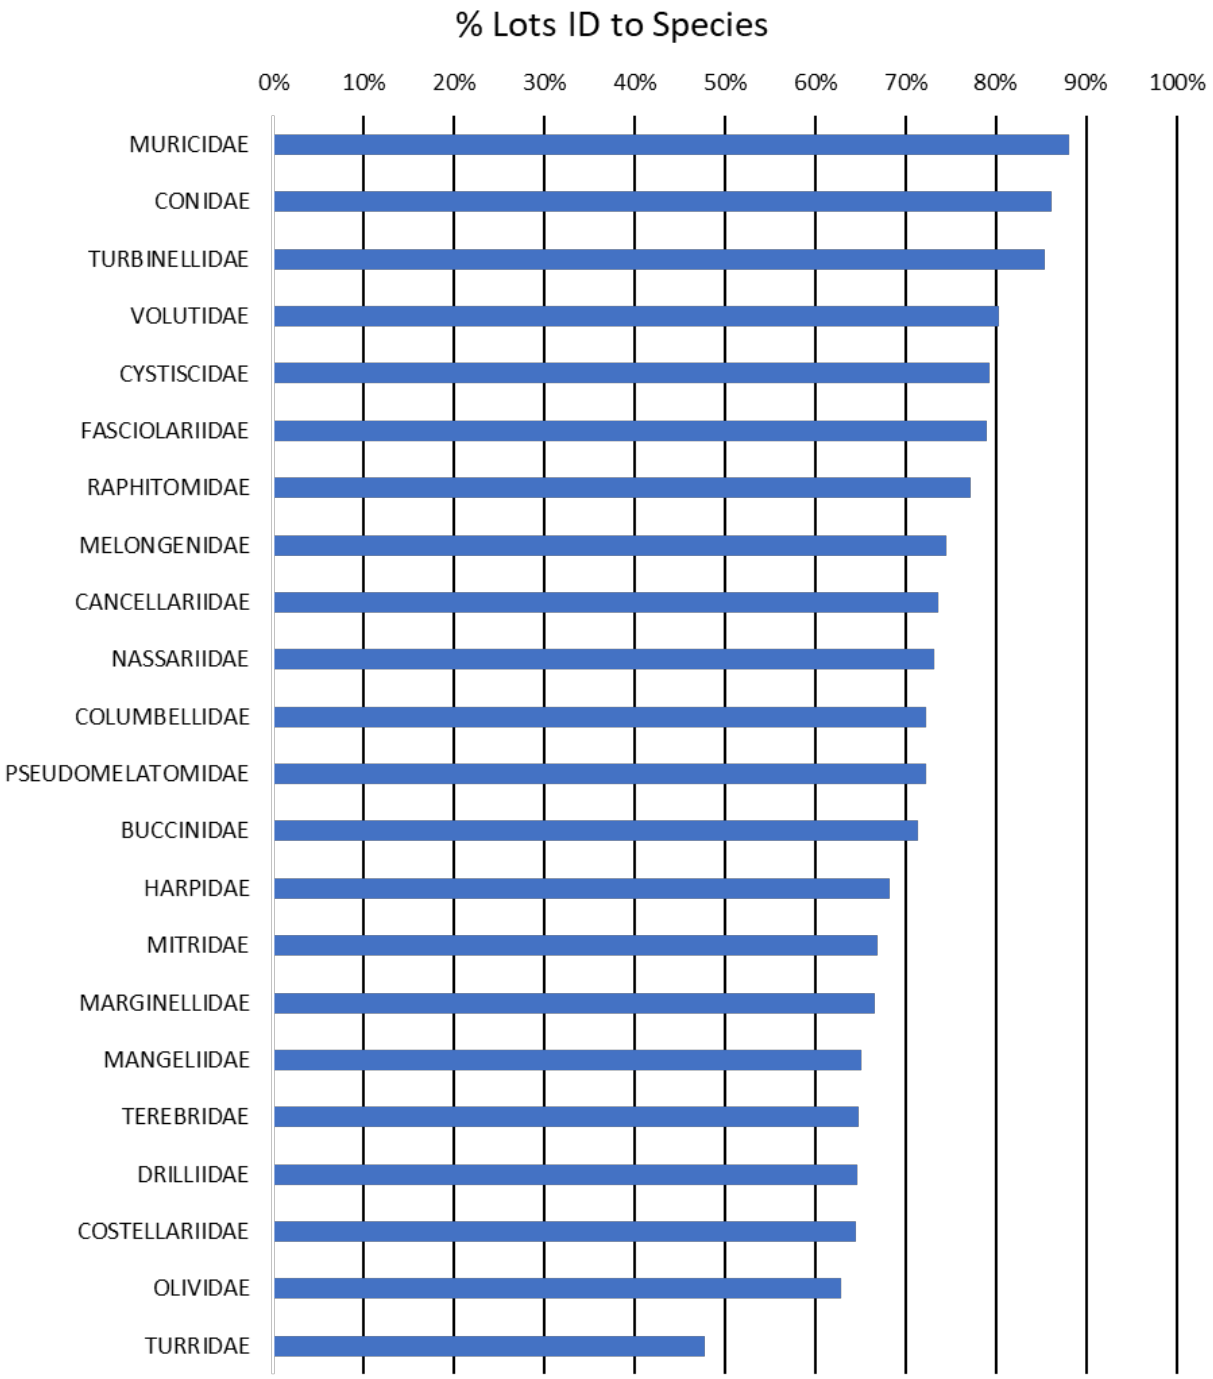
Reviewer sharing link to dryad: http://datadryad.org/share/LINK_NOT_FOR_PUBLICATION/KPQ27ZNOEloSFcQ6qFISGdfsAVVhEwbZpDOA4b_Kpv4

Supplemental dataset 1. Number of publications per species.

Supplemental dataset 2. Species sampled for publication numbers.

Supplemental dataset 3. UF Neogastropod species identification rates dataset.

Supplemental dataset 4. PBDB Florida and Atlantic coastal plain species identification rates dataset and comparison to UF data.



Supplemental fig 1. Percent of neogastropod lots assigned a species identification in the Specify database of the Florida Museum of Natural History by family.
