

Description of Additional Supplementary Files

File name: Supplementary Movie S1

Description: An Illustration of Eye and Body Movement Data from the Individual-Action Task. Dots represent motion-capture markers connected by lines indicating joints. The pink line illustrates the gaze direction captured using wearable eye-trackers.

File name: Supplementary Movie S2

Description: An Illustration of Eye and Body Movement Data from the Joint-Action Task. Dots represent motion-capture markers connected by lines indicating joints. Different colors of dots and lines indicate different individual IDs. The pink line illustrates the gaze direction captured using wearable eye-trackers.
