

A

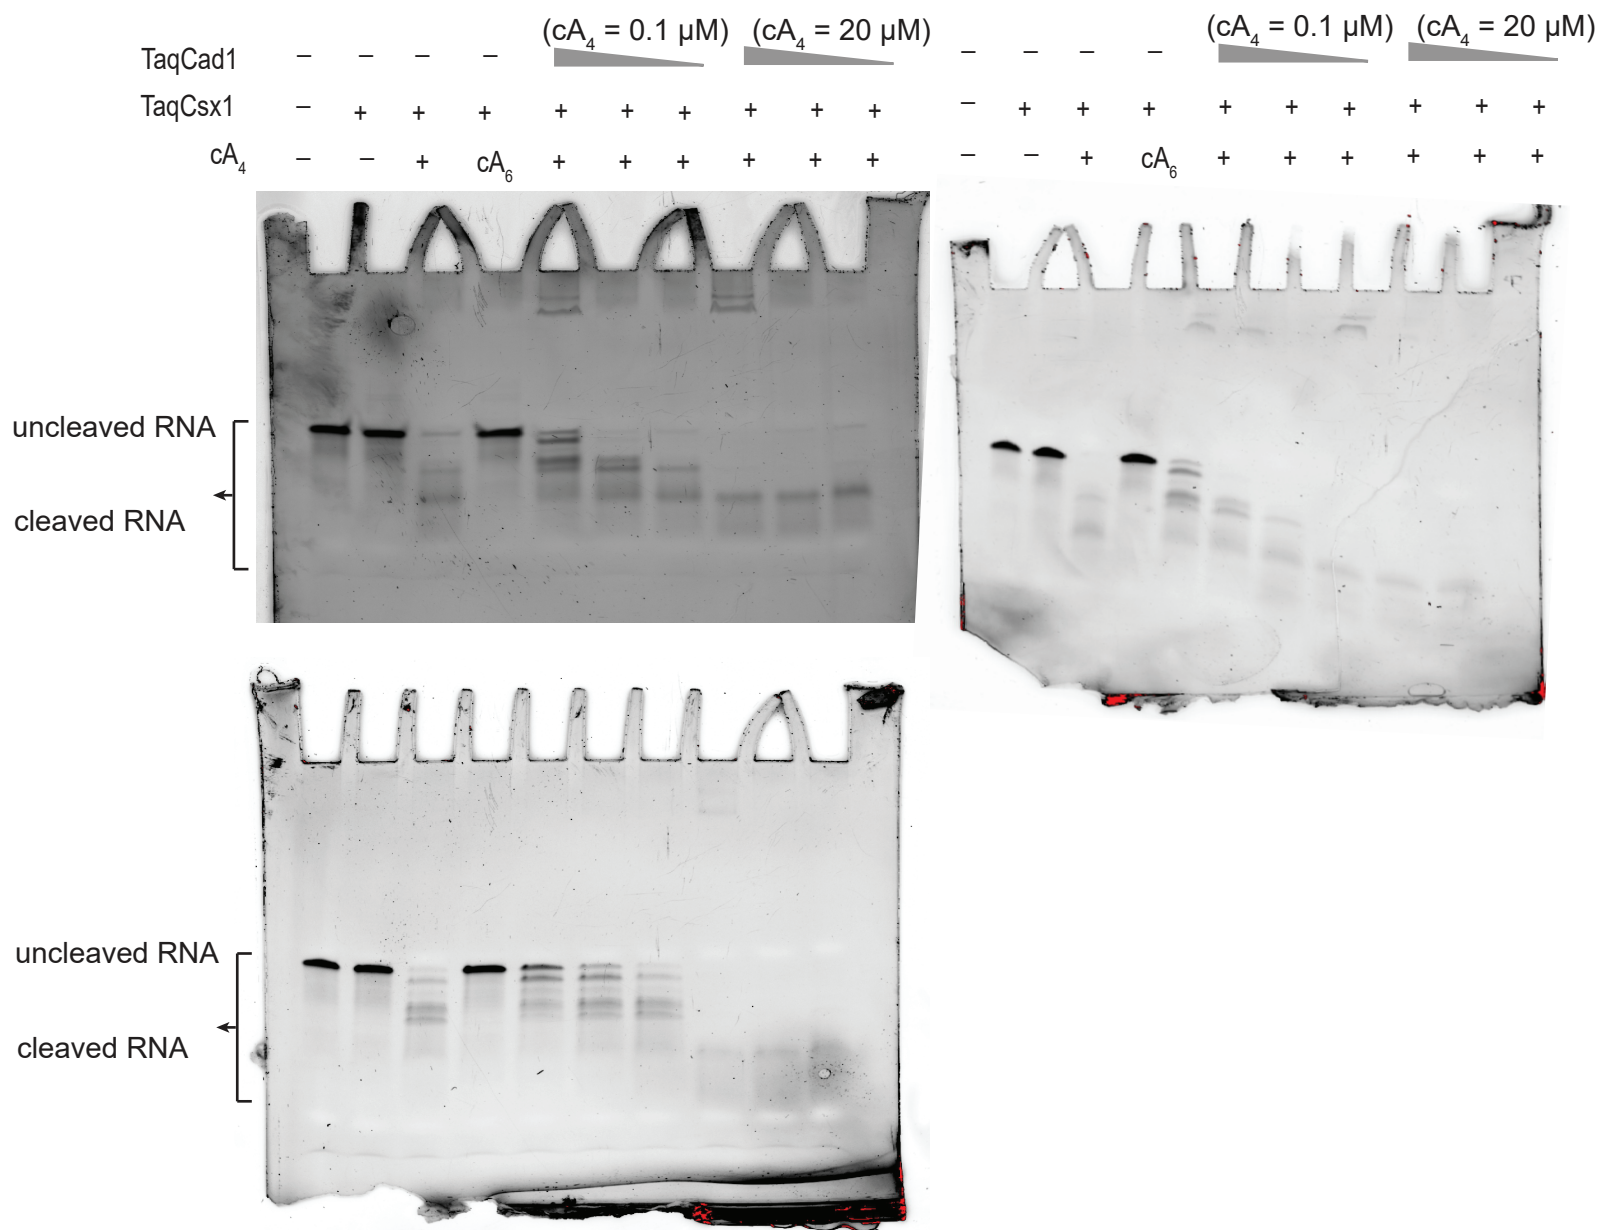

Figure Source Data Figure 1. Related to Figures 1d. Activation of *TaqCsx1* by cA₄ and the impact of *TaqCad1* ring nuclease activity on *TaqCsx1* RNA cleavage activity.

(A) Replicates showing activation of *TaqCsx1* by cA₄ and the impact of *TaqCad1* ring nuclease activity on *TaqCsx1* RNA cleavage activity at two different cA₄ concentrations and varying concentrations of *TaqCad1*.
