Trace Plots of Cluster Proportions in Experiments with PHS and AML Data Sets

June 23, 2014

1 Trace Plots of Cluster Proportions in Experiments with PHS and AML Data Sets

The trace plots of clusters proportions produced by ASPIRE on the AML and PHS data sets are shown in Figs. 1 and 2, respectively.

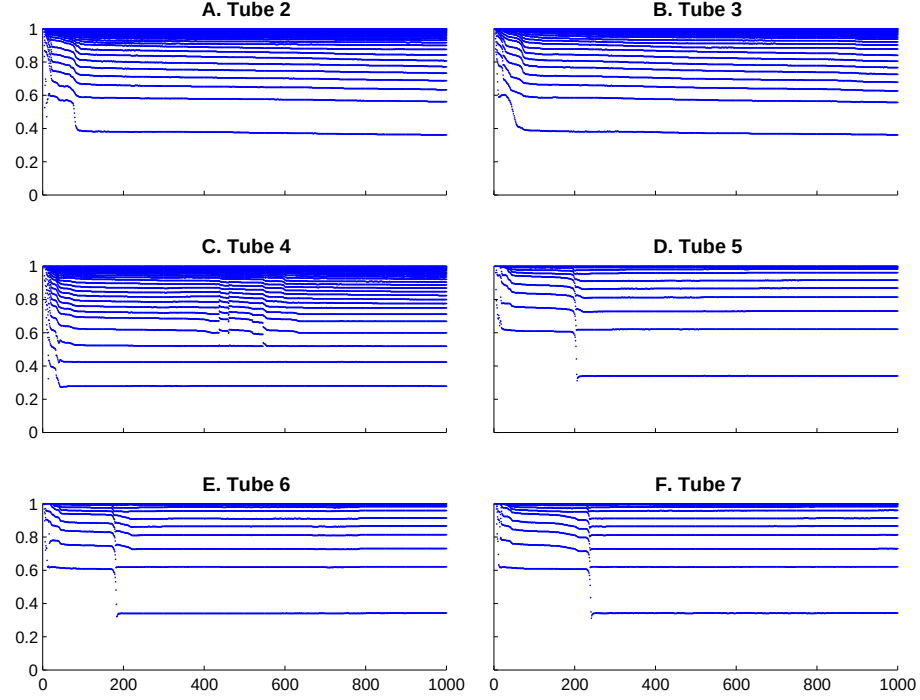

Figure 1: Trace plots of clusters proportions produced by ASPIRE on data from each of the six tubes in the AML data set.

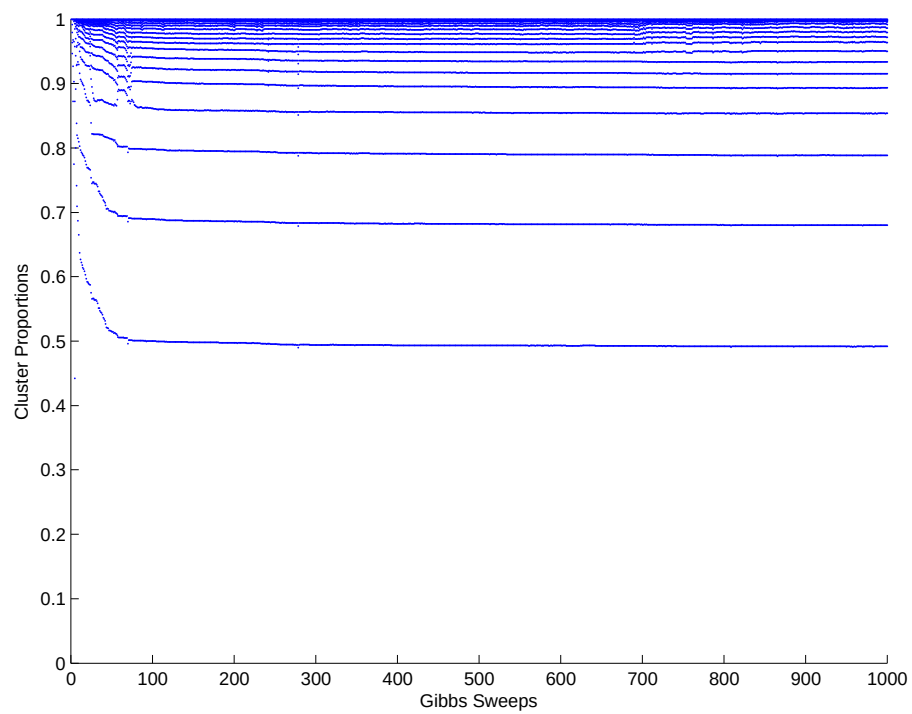

Figure 2: Trace plots of clusters proportions produced by ASPIRE on PHS data set.
