

CDK2

FUS-DDIT3 **DDIT3** **FUS** **GFP** **FUS-DDIT3** **DDIT3** **FUS** **GFP** **kDa**

Input **IP: GFP** **- 62**

Western blot analysis of CDK2 levels. The blot shows bands for CDK2 in the Input and IP: GFP fractions. The Input fraction shows bands for FUS-DDIT3, DDIT3, FUS, and GFP. The IP: GFP fraction shows bands for FUS-DDIT3 and DDIT3, but not for FUS and GFP. A molecular weight marker of 62 kDa is indicated.
