Welcome to **RepPopWiki**!

RepPopWiki provides the community annotation and curation system for the database **RepPop** <http://csbl.bmb.uga.edu/~ffzhou/RepPop>, which contains the repetitive elements in the land tree *Populus trichocarpa*. The users may change the annotations of each repetitive elements in the database **RepPop** <http://csbl.bmb.uga.edu/~ffzhou/RepPop>, which will be updated into the database in the next release.

More information about RepPop is available from **RepPop** <http://csbl.bmb.uga.edu/~ffzhou/RepPop>.

The home page for RepPop elements is at [RepPop](#).

Please [register](#) for an account so that you can search, browse and curate the annotation of these repetitive elements. Please contact the [maintainer](#) if you do not receive an confirming email.

You may take a look at these two elements: [RepPop5](#) and [RepPop7721](#).

Please cite this publication if you use the data from RepPop database:

RepPop: a database for repetitive elements in *Populus trichocarpa*.
