This is a grayscale microscopic image of a tissue section. The image shows various cellular structures and patterns. Five specific regions are highlighted with white rectangular labels. The labels are: 'HC' at the top left, 'AS1' at the top right, 'AS2' on the right side, 'AS5' on the left side, and 'AS3' at the bottom right. 'AS4' is at the bottom left. The background is a dark, textured gray with some lighter, irregular shapes.
