

- 
- A map of the African continent with various biomes and mountain ranges indicated. The map is divided into four quadrants labeled WEST, EAST, SOUTH, and SW. The legend on the left identifies five categories: Tropical rainforest (diagonal lines), Tropical rainforest LGM (cross-hatched), Desert (dotted), Major mountains (triangles), and Savannah, scrub, woodland (white). The map shows a large desert area in the north, tropical rainforest in the west and south, and major mountains in the east and south. Arrows point from the center towards the east and south.
-  Tropical rainforest
 -  Tropical rainforest LGM
 -  Desert
 -  Major mountains
 -  Savannah, scrub, woodland
