

CIDAROIDA

Cidar cidaris
(from Prouho 1887)

CIDAROIDA

Eucidaris tribuloides
(this study)

CIDAROIDA

Eucidaris sp.
(from Welsch & Rehkämper 1987)

ECHINOTHURIOIDA

Phormosoma bursarium
(from Schurig 1906)

ECHINOTHURIOIDA

Asthenosoma varium
(from Sarasin & Sarasin 1887)

DIADEMATIDAE

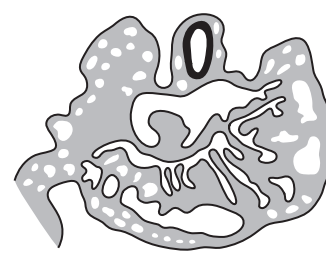

Diadema antillarum
(from Millott & Vevers 1967)

DIADEMATIDAE

Diadema setosum
(this study)

ARBACIOIDA

Arbacia lixula
(from Hamann 1887)

ARBACIOIDA

Arbacia punctulata
(from Millott 1966)

ECHINOIDA

Psammechinus miliaris
(this study)

ECHINOIDA

Echinus esculentus
(from Perrier 1875)

ECHINOIDA

Strongylocentrotus purpuratus
(from Boolootian & Campbell 1964)

ECHINOIDA

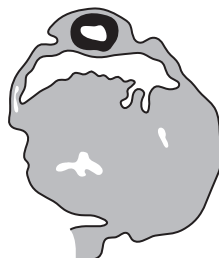

Sphaerechinus granularis
(from Leipoldt 1893)

TEMNOPLEUROIDA

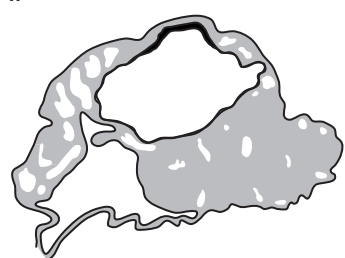

Salmacis bicolor
(from Aiyar 1938)

CLYPEASTEROIDA

Echinocyamus pusillus
(this study)

„PALEOPNEUSTINA“

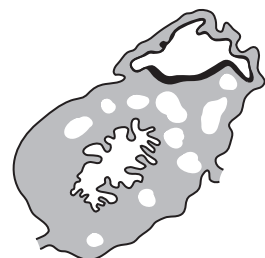

Schizaster canaliferus
(from Kaburek & Hilgers 1999)

MICRASTERINA

Heterobrissus niasicus
(from Wagner 1903)

MICRASTERINA

Brissus unicolor
(from Hamann 1887)

MICRASTERINA

Spatangus purpureus
(from Hamann 1887)

MICRASTERINA

Echinocardium cordatum
(this study)

Stone canal

Epithelium

Connective tissue

Haemal lacuna
