

			Laboratory		
			Nano 1	Nano 2	Nano 3
Measures					
Organizational	Restricted access	Authorized persons only		x	x
		Only activities nano in the laboratory			x
	Training	Written working procedures	x	x	x
		Basic training	x	x	x
		Continuous training		x	x
	City/laboratory clothes separation				x
	Conditioning of material contaminated by nano	Toxic (trash bin for toxic)	x	x	x
		Double bag for toxic waste (100 microns thickness)	x	x	x
		Storage of bags in a sealed container	x	x	x
	Elimination of nano substances and products	Liquid waste	Double packaging		
		Solid waste			
	Waste and PPE evacuation	Domestic waste treatment channel	Forbidden		
		Special waste treatment channel	x	x	x
	Transports of "nano-objects"	Simple packaging	Forbidden		
		Double packaging	x	x	x
