

CV Flow

```
1.  public void run() {
2.
3.      try {
4.          ...
5.          publisher.subscribe(...);
6.          ...
7.      } catch (IOException ex) {
8.          close();
9.      } catch (ClassNotFoundException ex) {
10.         close();
11.      }
12. }
```
