

Supplementary Material 2. Contains Supplementary Figures 1-7

Supplementary Figure 1. Scheme used for data requests in the study

Supplementary Figure 2. Rain cloud plots of serum iron categorized by age group and sex

Supplementary Figure 3. Rain cloud plots of serum ferritin categorized by age group and sex

Supplementary Figure 4. Rain cloud plots of serum transferrin categorized by age group and sex

Supplementary Figure 5. Rain cloud plots of serum TSAT categorized by age group and sex

Supplementary Figure 6. Rain cloud plots of CC-IMT categorized by age group and sex

Supplementary Figure 7. Figure showing the pattern of co-occurrences and instances of missing values in the dataset

Serum Iron

Supplementary Figure 2

Serum Ferritin

Serum Transferrin

Serum TSAT
