

ADDITIONAL FILES

Additional file 2: Additional newborn TPPs proposed by consensus meeting participants

Hydration, Nutrition and Drug Delivery
o Breast milk pump
o Lactation support tools (e.g., storage bags)
o Total parenteral nutrition (TPN)
o Milk banking
Jaundice Management
o ROP screening and treatment
o Retinopathy camera (e.g., RetCam)
Point-of-Care Diagnostics
o C-reactive protein (CRP) point-of-care test
Respiratory Support
o Mechanical ventilator
o Oxygen blender
o Bedside pulmonary function testing
o Newborn resuscitation device
o Electrocardiogram (ECG)
Thermal Management
o Incubator
o Cooling mattresses for therapeutic hypothermia
o Infrared / Spot Check Thermometer (Temperature test)
o Non-electric infant warmers (e.g., Phase Change Material)
Other
o Multi-parameter monitoring
o Advanced hemodynamic monitoring
o Transport
§ Oxygen delivery during transport
§ Transporter
§ Transport incubator
§ Infusion pump
§ Portable ultrasound
o Cranial ultrasound
o Backup power package
o Maintenance package
