Re: Manuscript titled ‘Liver transplant For Paediatric Acute Liver Failure: Insights from a Newly Established Paediatric Liver Transplant Program in a developing country’.

Many thanks for getting back to us with revisions and reviewer’s comments.

We sincerely appreciate your time and efforts to go through the manuscript submitted by us and informing us with valuable suggestions.

Please find the below documents for your reference.

1. Updated manuscript – amendments are highlighted in yellow
2. Point by point response documents – for the general comments by the editor and two reviewers

We hope to hear from you soon.

Best Wishes

Dr Meranthi Fernando
