

Perceptions of the schoolyard

Please complete the survey below.

This survey is the last one and should be answered by the child.

The child only needs to answer the questions once. If the child has already answered these questions through the same form using another guardian's email address, you may disregard this form and click 'submit' without filling in the questions.

Thank you in advance!

What do you think of the outdoor areas at your school, which you have access to during recess?

- | | |
|--|---|
| 1) There are opportunities for many different activities | ☐ Totally disagree
