

**Additional File 1: Distribution of informal care costs**

Figure A1-1. Distribution of caregiver information care costs harmonized across seven countries

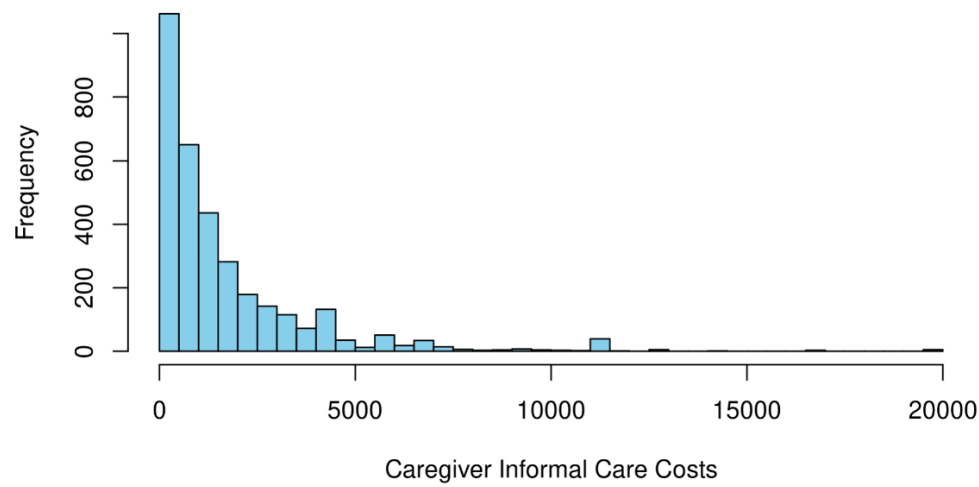

Figure A1-2. Distribution of caregiver information care costs, stratified by disease severity

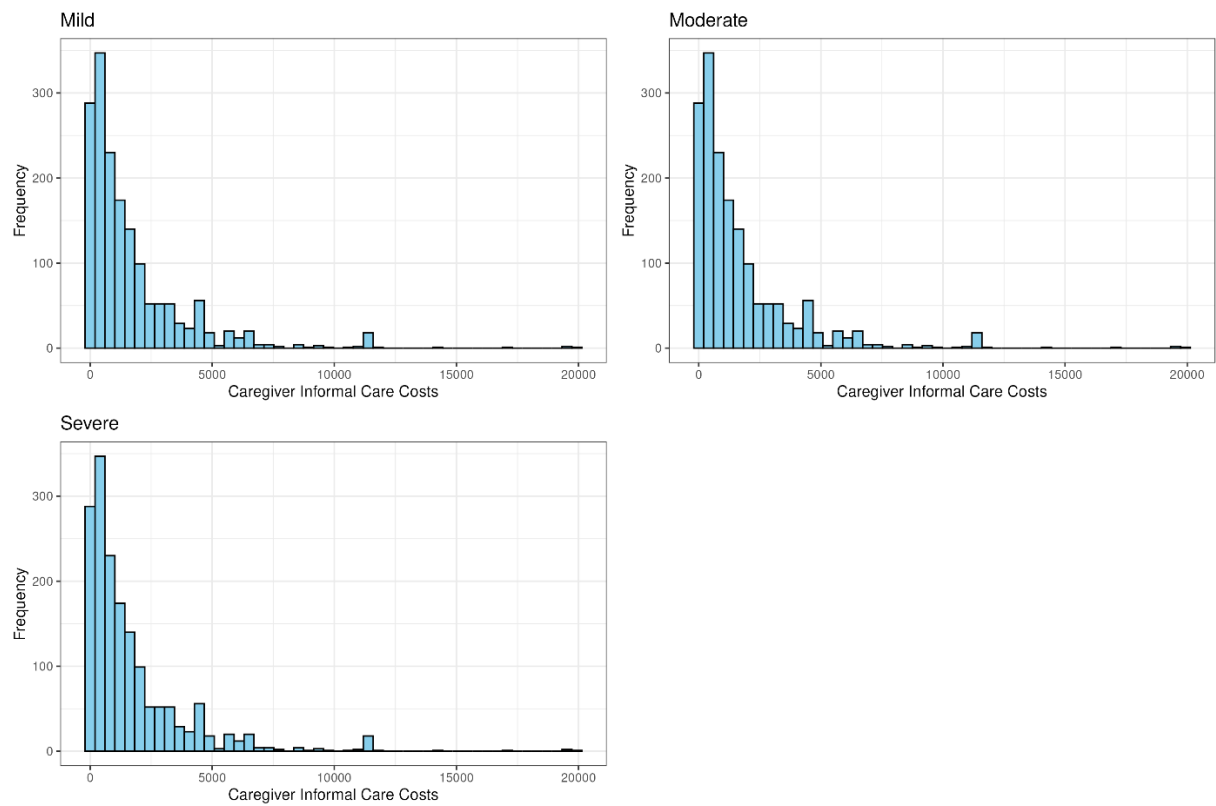

Figure A1-3. Distribution of caregiver information care costs, stratified by employment status

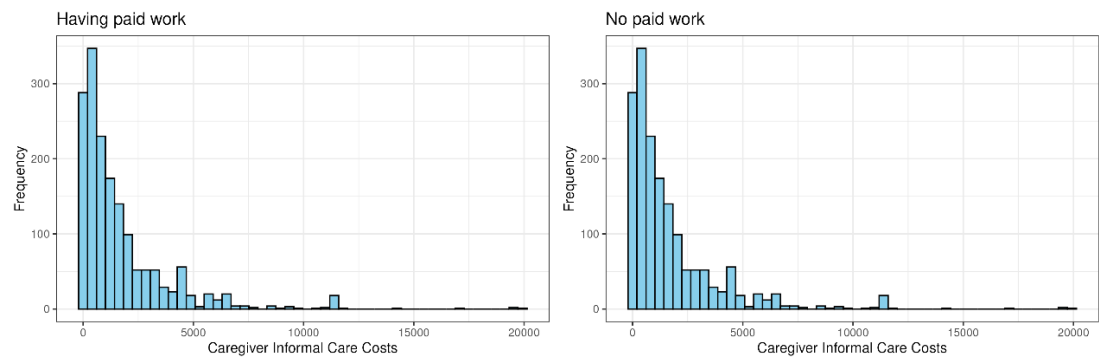

Figure A1-4. Distribution of caregiver information care costs, stratified by country

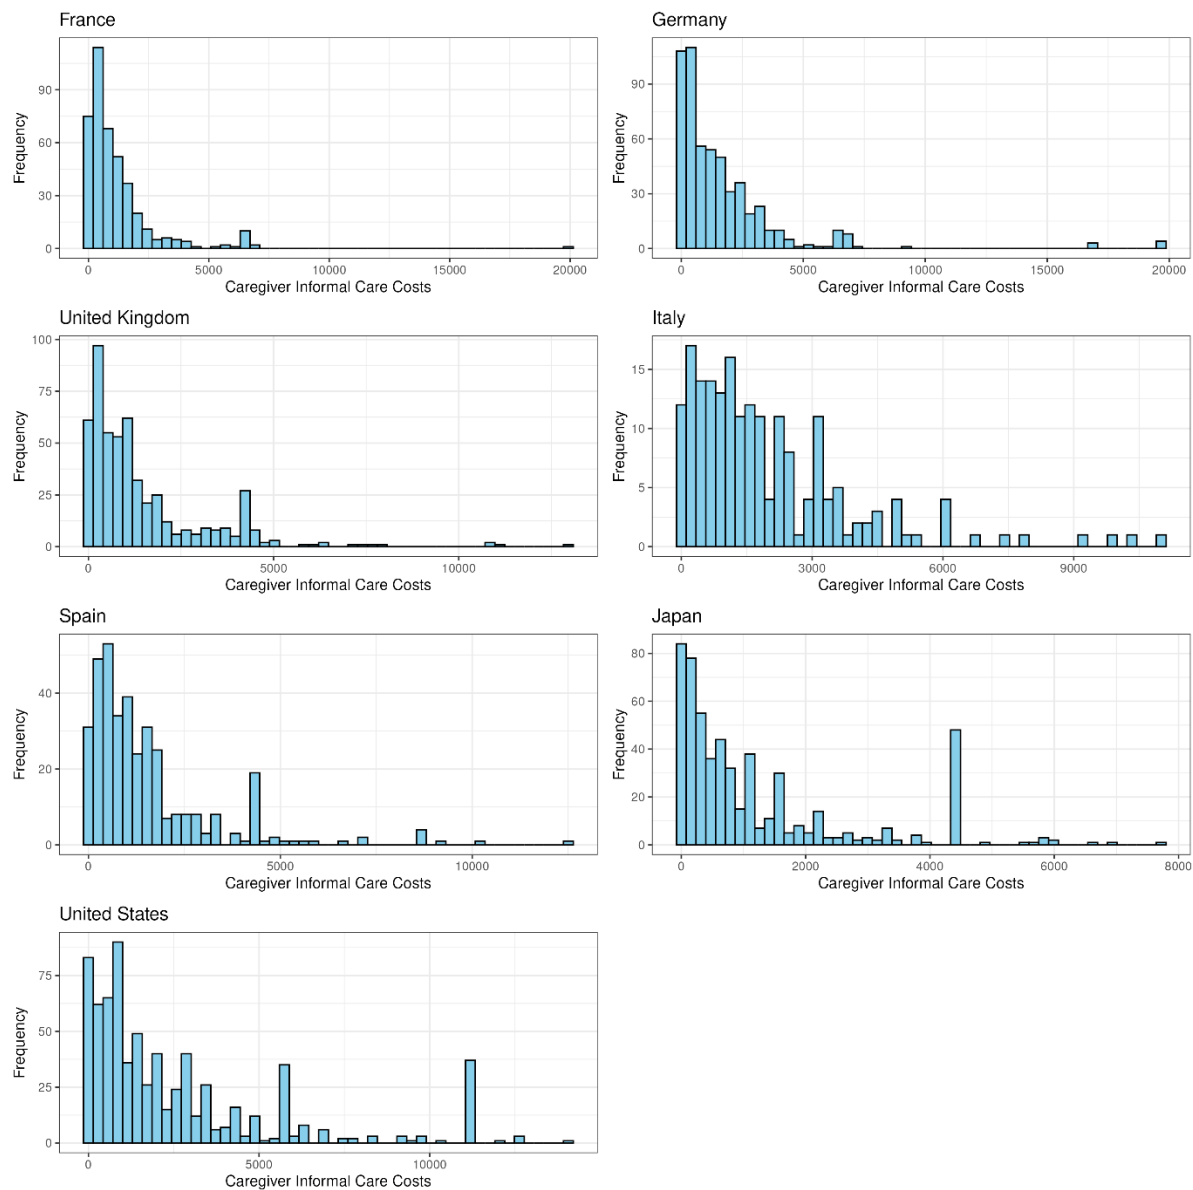

Table A1-1. Distribution of zero and non-zero (>0) values of informal care costs in the harmonized dataset and stratified subsets

|                                                   | <b>Zeros, n (%)</b> | <b>Non-zeros (&gt;0), n (%)</b> |
|---------------------------------------------------|---------------------|---------------------------------|
| Harmonized dataset ( <i>N</i> =3318)              | 990 (29.8%)         | 2328 (70.2%)                    |
| <b>Severity of Alzheimer's disease (<i>N</i>)</b> |                     |                                 |
| Mild (1577)                                       | 458 (29.0%)         | 1119 (71.0%)                    |
| Moderate (877)                                    | 283 (32.3%)         | 594 (67.7%)                     |
| Severe (864)                                      | 249 (28.8%)         | 615 (71.2%)                     |
| <b>Caregiver's employment status (<i>N</i>)</b>   |                     |                                 |
| Having paid work (1094)                           | 500 (45.7%)         | 594 (54.3%)                     |
| No paid work (2224)                               | 490 (22.0%)         | 1734 (78.0%)                    |
| <b>Country (<i>N</i>)</b>                         |                     |                                 |
| France (415)                                      | 91 (21.9%)          | 324 (78.1%)                     |
| Germany (544)                                     | 122 (22.4%)         | 422 (77.6%)                     |
| United Kingdom (521)                              | 136 (26.1%)         | 385 (73.9%)                     |
| Italy (193)                                       | 82 (42.5%)          | 111 (57.5%)                     |
| Spain (368)                                       | 119 (32.3%)         | 249 (67.7%)                     |
| Japan (553)                                       | 212 (38.3%)         | 341 (61.7%)                     |
| United States (724)                               | 228 (31.5%)         | 496 (68.5%)                     |
