INTERVIEWER TO READ THIS.

Hello, my name is _____ (state your name). I work for KEMRI/Walter Reed Project. Before we get started, I would like to inform you how the interview works. Your participation in this interview and every aspect of the research study are completely voluntary. You may skip any question that you may prefer not to answer, but we would appreciate your co-operation. These questions may be somewhat sensitive but they are important for KEMRI/Walter Reed Project to meet its objectives. We therefore need your assistance. You may also ask me to clarify questions if you don't understand them or decide to stop the interview at any time. The majority of questions in this survey cover THE 3 MONTH PERIOD OF TIME BEFORE THIS VISIT.

Any information you provide for the study is kept completely confidential and cannot be shared with any individual, including your employer/boss, spouse or friends. Your responses to our questions are identified only by number, not by your name. The questionnaire has four sections.

Thank you. Let us begin!

Remember to record 'Time Interview Ended' at the bottom this page

INTERVIEWER TO READ THIS

Now I will be happy to let you know that I have finished all the questions. I would like to thank you for your patience, co-operation and honesty in answering the questions. I know it was a long and exhausting process for you, with some very sensitive and personal questions. We are grateful for your co-operation.

Again, I would like to remind you that all information you provided for this study will be kept confidential and will not be shared with any individual, including your employer/boss, spouse, friends or relatives. The responses that you provide to these questions will only be identified by a unique number, not by your name or any other identifying information.

THANK YOU VERY MUCH!

Time Interview Ended: ____:____ *hh:mm (24 hour clock time)*
