

This document certifies that the manuscript

Oral Frailty Status and Influencing Factors in a Community-Based Elderly Population A
systematic review and Meta-Analysis

prepared by the authors

Lijuan Lu, Xiaofen Liu, Hui Wang, Qian Liu, Huan Liu, Wenjing Xiang, Wenjie Gu

was edited for proper English language, grammar, punctuation, spelling, and overall style
by one or more of the highly qualified English speaking editors at SNAS.

This certificate was issued on **July 28, 2025** and may be verified
on the [SNAS website](#) using the verification code **5A09-9FAC-A582-D68E-B450**.

Neither the research content nor the authors' intentions were altered in any way during the editing process. Documents receiving this certification should be English-ready for publication; however, the author has the ability to accept or reject our suggestions and changes. To verify the final SNAS edited version, please visit our verification page at secure.authorservices.springernature.com/certificate/verify.

If you have any questions or concerns about this edited document, please contact SNAS at support@as.springernature.com.
