

## Adverse events reported during the study

Table 1. Summary of adverse events (Safety population)

| Adverse Events                                          | GROUP A<br>(RoseFit)<br>(N=35)<br>n (%) | GROUP B<br>(Placebo)<br>(N=35)<br>n (%) | Overall<br>(N=70)<br>n (%) |
|---------------------------------------------------------|-----------------------------------------|-----------------------------------------|----------------------------|
| Total Number of AEs Reported                            | 06                                      | 09                                      | 15                         |
| Subjects Reporting at least one AEs                     | 03 (8.6%)                               | 04 (11.4%)                              | 07 (10%)                   |
| Total Number of SAEs Reported                           | 00                                      | 00                                      | 00                         |
| Subjects Reporting Serious AEs                          | 00                                      | 00                                      | 00                         |
| Subjects Reporting drug-related AEs                     | 00                                      | 00                                      | 00                         |
| Subjects Reporting AEs leading to early discontinuation | 00                                      | 02 (5.7%)                               | 02 (2.8%)                  |
| Number of Deaths                                        | 00                                      | 00                                      | 00                         |

Table 2. Details of AEs experienced by the subjects (Safety population)

| Adverse Events Term          | GROUP A<br>(RoseFit)<br>(N=35)<br>n (%) | GROUP B<br>(Placebo)<br>(N=35)<br>n (%) | Overall<br>(N=70)<br>n (%) |
|------------------------------|-----------------------------------------|-----------------------------------------|----------------------------|
| Subjects with atleast one AE | 03 (8.6%)                               | 04 (11.4%)                              | 07 (10%)                   |
| <i>Headache</i>              | 03 (8.6)                                | 01 (2.8)                                | 04 (5.7)                   |
| <i>Stomach ache</i>          | 00                                      | 02 (5.7)                                | 02 (2.8)                   |
| <i>Viral fever</i>           | 02 (5.7)                                | 00                                      | 02 (2.8)                   |
| <i>Cold</i>                  | 01 (2.8)                                | 01 (2.8)                                | 02 (2.8)                   |
| <i>Sore throat</i>           | 00                                      | 01 (2.8)                                | 01 (1.4)                   |
| <i>Fever</i>                 | 00                                      | 01 (2.8)                                | 01 (1.4)                   |
| <i>Bloating</i>              | 00                                      | 01 (2.8)                                | 01 (1.4)                   |
| <i>Heart burn</i>            | 00                                      | 01 (2.8)                                | 01 (1.4)                   |
| <i>Body Ache</i>             | 00                                      | 01 (2.8)                                | 01 (1.4)                   |
