

Aberdeen Summer Research Studentship Programme Survey

PART A - DEMOGRAPHICS

Gender

- ☐ Male ☐ Female ☐ Prefer not to say

What qualifications did you have prior to undertaking the ASRS? (Tick the highest level)

- ☐ High school or equivalent ☐ Undergraduate degree (BSc or equivalent) ☐ MSc ☐ Phd

Current stage of training

- ☐ Medical student ☐ Foundation doctor ☐ Core trainee ☐ Speciality trainee ☐ Other

Other than MBChB, have you gained or started any other academic qualifications after ASRS?

- ☐ No ☐ Yes

If yes, please state the qualification and year(s) of study.

When did you apply for the ASRS?

- ☐ 1st year only ☐ 2nd year only ☐ Both years

When were you awarded an ASRS place?

- ☐ 1st year only ☐ 2nd year only ☐ Both years

During which year(s) did you undertake the ASRS? (Tick all that apply, and state the age you were when you did your first ASRS)

- ☐ 2010 ☐ 2011 ☐ 2012 ☐ 2013 ☐ 2014 ☐ 2015

Age at the start of first ASRS

- | | | | |
|-----------------------------|-----------------------------|-----------------------------|------------------------------|
| ☐ 17 | ☐ 26 | ☐ 35 | ☐ 44 |
| ☐ 18 | ☐ 27 | ☐ 36 | ☐ 45 |
| ☐ 19 | ☐ 28 | ☐ 37 | ☐ 46 |
| ☐ 20 | ☐ 29 | ☐ 38 | ☐ 47 |
| ☐ 21 | ☐ 30 | ☐ 39 | ☐ 48 |
| ☐ 22 | ☐ 31 | ☐ 40 | ☐ 49 |
| ☐ 23 | ☐ 32 | ☐ 41 | ☐ 50+ |
| ☐ 24 | ☐ 33 | ☐ 42 | |
| ☐ 25 | ☐ 34 | ☐ 43 | |

PART B - PROCESS & OUTPUTS (FIRST ASRS CYCLE)

If you have completed ASRS in both years, please complete the following section with respect to your **first ASRS programme only**

Did you have a named academic supervisor for your ASRS?
☐ No ☐ Yes ☐ Unsure

Did you feel adequately supported by your academic supervisor and their team?
☐ No ☐ Yes

When were the expected outcomes of the ASRS made clear?
☐ At the the beginning of the ASRS ☐ During the ASRS ☐ Never

Whilst doing the ASRS, what proportion of your studentship (**should total 100%**) was spent doing:
Clinical Observations (%) _____

Research (%) _____

Other activities (%) _____

Do you feel this balance was appropriate?
☐ No ☐ Yes

Please explain your answer

What clinical specialty were you attached to?

What type of research project were you involved in?
☐ Lab ☐ Non-Lab

What did your project involve? (Describe in 50-100 words)

Did you continue working on the project beyond the funded ASRS period?

- ☐ No ☐ Yes

Have you presented work you undertook during the ASRS at a meeting or conference?

- ☐ No ☐ Yes - Local meeting or conference (e.g. within hospital) ☐ Yes - National meeting or conference (Scotland/UK) ☐ Yes - International meeting or conference

If yes, please state how many presentations and what type (e.g. 2 oral, 1 poster)

Have other members of the research team presented the work you undertook during the ASRS at a meeting or conference?

- ☐ No ☐ Yes - Local meeting or conference (e.g. within hospital) ☐ Yes - National meeting or conference (Scotland/UK) ☐ Yes - International meeting or conference

If yes, please state how many presentations and what type (e.g. 2 oral, 1 poster)

Has the work you undertook during the ASRS led to a successful publication?

- ☐ No ☐ Conference abstract ☐ Review article ☐ Original research article ☐ Other

If yes, please state how many publications, what type and your role (e.g. first author, co-author, acknowledged as contributor)

Are there any manuscripts in preparation or under review that include the work you undertook during the ASRS?

- ☐ No ☐ Yes

If yes, please state how many publications, what type and your role (e.g. first author, co-author, acknowledged as contributor)

To what extent did this ASRS impact on your subsequent learning?

- ☐ Major negative impact ☐ Minor negative impact ☐ No impact ☐ Minor positive impact ☐ Major positive impact

Please explain your answer

Very Dissatisfied

Dissatisfied

Neither
dissatisfied or
satisfied

Satisfied

Very satisfied

Please rate how satisfied you are with the overall
experience of this ASRS

☐☐☐☐☐

PART B2 - PROCESS & OUTPUTS (SECOND ASRS CYCLE)

N.B. If you have not yet completed your second ASRS, please leave this section blank.

Please complete Part B2 with respect to your ASRS programme **in second year only**

Did you have a named academic supervisor for your ASRS?

- ☐ No ☐ Yes ☐ Unsure

Did you feel adequately supported by your academic supervisor and their team?

- ☐ No ☐ Yes

When were the expected outcomes of the ASRS made clear?

- ☐ At the the beginning of
the ASRS ☐ During the ASRS ☐ Never

Whilst doing the ASRS, what proportion of your studentship (**should total 100%**) was spent doing:

Clinical Observations (%)

Research (%)

Other activities (%)

Do you feel this balance was appropriate?

- ☐ No ☐ Yes

Please explain your answer

What clinical specialty were you attached to?

What type of research project were you involved in?

- ☐ Lab ☐ Non-Lab

What did your project involve? (Describe in 50-100 words)

Did you continue working on the project beyond the funded ASRS period?

- ☐ No ☐ Yes

Have you presented work you undertook during the ASRS at a meeting or conference?

- ☐ No ☐ Yes - Local meeting or conference (e.g. within hospital) ☐ Yes - National meeting or conference (Scotland/UK) ☐ Yes - International meeting or conference

If yes, please state how many presentations and what type (e.g. 2 oral, 1 poster)

Have other members of the research team presented the work you undertook during the ASRS at a meeting or conference?

- ☐ No ☐ Yes - Local meeting or conference (e.g. within hospital) ☐ Yes - National meeting or conference (Scotland/UK) ☐ Yes - International meeting or conference

If yes, please state how many presentations and what type (e.g. 2 oral, 1 poster)

Has the work you undertook during the ASRS led to a successful publication?

- ☐ No ☐ Conference abstract ☐ Review article ☐ Original research article ☐ Other

If yes, please state how many publications, what type and your role (e.g. first author, co-author, acknowledged as contributor)

Are there any manuscripts in preparation or under review that include the work you undertook during the ASRS?

- ☐ No
- ☐ Yes

If yes, please state how many publications, what type and your role (e.g. first author, co-author, acknowledged as contributor)

To what extent did this ASRS impact on your subsequent learning?

- ☐ Major negative impact
- ☐ Minor negative impact
- ☐ No impact
- ☐ Minor positive impact
- ☐ Major positive impact

Please explain your answer

Please rate how satisfied you are with the overall experience of this ASRS

- Very Dissatisfied
- Dissatisfied
- Neither dissatisfied or satisfied
- Satisfied
- Very satisfied

- ☐

PART C - AFTER THE ASRS CYCLE

Before doing the ASRS did you plan to do an intercalated degree?

- ☐ No
- ☐ Yes
- ☐ Hadn't decided

After doing the ASRS did you do an intercalated degree?

- ☐ No
- ☐ Yes
- ☐ Not yet reached that stage of medical school

Why did you decide to do an intercalated degree?

Why did you decide not to do an intercalated degree?

Are you considering applying to do an intercalated degree?

☐ No ☐ Yes

Please explain your answer

Did you do your intercalated degree within the same research speciality as your ASRS?

☐ No ☐ Yes

Have you continued to be involved in research since your ASRS?

☐ No ☐ Yes

If yes, what type of research have you been involved in? (Please describe in up to 100 words)

PART D - EVALUATION OF THE ASRS EXPERIENCE

Please describe any benefits of your ASRS experience. If none - please state "none".

Please describe any drawbacks of your ASRS experience. If none - please state “none”.

Do you think being an ASRS recipient enhanced your medical school experience?

☐ No

☐ Yes

Please explain your answer

Would you recommend ASRS to medical students currently in 1st or 2nd year?

☐ No

☐ Yes

Please explain your answer

Please provide any other feedback which may be useful to further develop the ASRS programme.

What would have enhanced your ASRS experience?

Thank you for your time, your feedback will be invaluable for the development of the ASRS programme.
Please click '**Submit**'.
