

Appendix 1

Dear student,

Thanking you for completing this questionnaire, this study is aimed to explore the effects of your writing course, blended with flipped classrooms, on your attitude towards your wiki-supported group work and the quality of your group work. Please specify your satisfaction with each item by checking one of the options: very high, above the average, average, Average, below the average, very low. Completing the questionnaire will take about five minutes of your time. Your invaluable feedback will help us to improve the course. Be sure that a unique code will be assigned to you and all the research data will be saved confidential. You have the right to withdraw from the study whenever you want.

Kindest regards,
The research team

Component of educational intervention		Satisfaction item	The rate of the satisfaction
