

Additional File 1:

How often do you ask patients or their families about firearm injury prevention?

- Never
- Sometimes
- About half the time
- Most of the time
- Always

When you do NOT ask patients about access to guns, to what degree do the following reasons keep you from asking?

In your patient population, are you more concerned about gun homicide, gun suicide, or accidental injury by a gun?

Homicide

Suicide

Accidental injury

When has firearm injury prevention been addressed in your medical education?

Never

Medical school

Residency or fellowship

Other professional education

How interested are you in an educational program designed to increase your knowledge and skills in counseling patients in firearm injury prevention?

Extremely interested

Very interested

Moderately interested

Slightly interested

Not interested at all

Which of the following would you be most be interested in learning more about? (pick 2)

How to identify patients at risk of firearm injury

What questions to ask at-risk patients about their access to guns

Evidence-based interventions to decrease firearm injury and death in my patients

When patients become prohibited from owning or purchasing guns

Legal mechanisms to separate dangerous people from their guns

Over the course of your life, what has been your involvement with firearms?

There were guns in the house where I grew up.

I used a firearm as part of my military service.

I have fired a gun in the last year.

I own at least one handgun, rifle or shotgun.

Someone else keeps guns in the house on or on the property where I live.

None of the above.

Have you ever taken a course in the safe handling and use of firearms (other than as part of military service)?

Yes

No

Not sure

Are you a medical student, resident, or fellow?

Medical student

Resident

Fellow

What did you complete your residency in?

What kind of fellowship are you doing?

What year of residency are you in?

1

2

3

4

5+

What is your specialty?

What year of medical school are you in?

1

2

3

4

5+

How old are you?

24 or younger

25 – 34

35 – 44

45 – 54

55 or older

In what state did you graduate high school? (This gives us an idea of where you grew up.)

What is your identified gender?

Male

Female

Other / Prefer not to answer
