

Cervical screening

You have recently had a cervical smear test at Kvinnohälsan. We are interested to know how you feel about the procedure.

We would appreciate it if you could share your views and thoughts by participating in a survey. Responding to the survey is completely voluntary. The answers will be compiled in such a way that individual responses cannot be identified. It is the overall feedback that is of interest, and the responses will be used to improve our work in the future.

The survey takes about five minutes to complete. After filling in the survey form, please leave it in the box labelled "Patientenkäter" (Patient Surveys).
