

The Global Health Network feedback survey

Page 1: The Global Health Network - Feedback survey

Please answer the following questions about the eLearning module / course you completed or event you attended.

Your feedback is important in helping us understand:

- To what extent this module or course is meeting your learning needs
- How the module or course could be improved for future participants
- What you feel you have learned

The findings from this survey may be published in a report, a scientific journal and/or presented at a conference. Your identity will remain anonymous in all publications and presentations of the findings.

This survey is also available in [portuguese](#).

Please Note

The information that you supply in response to this training evaluation will be treated in accordance with the [University of Oxford's Data Protection policy](#). The data collected in this form will be stored securely and will be only accessed by The Global Health Network. For more information please visit [The Global Health Network Privacy Policy](#) page.
