Years in current job:.....

Question:

1. What influences your decision to choose a particular CME program?
2. Can you describe why you selected your most recent CME activity?
3. What benefits do you feel you gain from attending CME programs?
4. How have CME programs impacted your clinical practice or professional growth?
5. What challenges or barriers make it difficult for you to attend CME programs?
6. How do scheduling or workload issues affect your ability to participate?
7. How do financial factors influence your CME attendance?
8. What kind of institutional support—or lack of support—affects your attendance?
9. What could be improved to make CME programs more accessible or relevant to you?
10. Is there anything else you would like to add about your experience with CME programs?
