

Additional File 1: Search Strategies

For our search, we developed targeted search strategies for each data base using index terms for 'point-of-care testing', 'qualitative research', and 'low- and middle-income countries'.

We drew inspiration from the following studies to inform our search strategy development:

For qualitative search terms:

Walters LA, Wilczynski NL, Haynes RB. (2006) Developing Optimal Search Strategies for Retrieving Clinically Relevant Qualitative Studies in EMBASE. *Qualitative Health Research*;16(1):162-168. doi:10.1177/1049732305284027.

Wilczynski NL, Marks S, Haynes RB. (2007) Search Strategies for Identifying Qualitative Studies in CINAHL. *Qualitative Health Research*; 17(5):705-710. doi:10.1177/1049732306294515

Wong SS, Wilczynski NL, Haynes RB; Hedges Team. (2004) Developing optimal search strategies for detecting clinically relevant qualitative studies in MEDLINE. *Studies in Health Technology Informatics*;107(Pt 1):311-6. PMID: 15360825.

For 'point-of-care testing' search terms:

Van Hecke, Oliver, et al. (2020). In-vitro diagnostic point-of-care tests in paediatric ambulatory care systematic review and meta-analysis. *PLoS One* 15(7):e0235605.

For LMIC search terms:

Papola D, Purgato M, Gastaldon C, Bovo C, van Ommeren M, Barbui C, Tol WA. (2020) Psychological and social interventions for the prevention of mental disorders in people living in low- and middle-income countries affected by humanitarian crises. *Cochrane Database of Systematic Reviews* 2020, Issue 9. Art. No.: CD012417. DOI: 10.1002/14651858.CD012417.pub2.

This review used the World Bank classification 2009 for their search strategy. We updated this by removing the following countries which are considered high income countries according to the World Bank fiscal year 2023 classification

(<https://datahelpdesk.worldbank.org/knowledgebase/articles/906519-world-bank-country-and-lending-groups>): Chile, Croatia Czechoslovakia OR "Czech Republic", Cyprus, Estonia, Greece, Guam, Hungary, "Isle of Man", Latvia, Lithuania, Malta, Poland, Portugal, Romania or Rumania or Roumania, Seychelles, Slovakia OR "Slovak Republic", Slovenia.
