

ECHO Relationships Project

Welcome **Thank you for participating in this project!**

Children's Health Queensland and the University of Queensland pay our collective respects to the Traditional Custodians of the land on which we walk, talk, work and live. We acknowledge and pay our respects to Aboriginal and Torres Strait Islander Elders past, present and future.

We are interested in knowing more about who you network with to support Aboriginal and Torres Strait Islander peoples' health.

This will bring awareness on how connections are shaped and will help us identify gaps and barriers that we can change together.
