

President

Bordeaux, 17th December 2021

To whom it may concern.

The University of Bordeaux is the host institution of a research project entitled «ALBIPSY: Albinism, Family & Quality of Life» whose scientific leaders are Mr. Hugo Fournier and Mr. Bruno Quintard. This research project is being conducted by the laboratory Bordeaux Population Health (Université de Bordeaux – Inserm U1219).

The provisions of the Article L1121-1 of the French Public Health Code are not applicable to this type of study and no ethical review of an "institutional review board" (IRB) is required under French legislation.

This research project is carried out in compliance with the Declaration of Helsinki, and according all good practices concerning information and consent of participants. This study was designed to be "privacy by design" and to comply with French data protection legislation.

For all legal purposes.

Manuel TUNON de LARA
