

Commodities Tested by PDP over time in Domestic Conventional Markets, Number of Samples per Commodity, Number of Foods Tested and Total Number of Samples per Year.

Commodities Tested by PDP	1992	1993	1994	1995	1996	1997	1998	1999	2000	2001	2002	2003	2004	2005	2006	2007	2008	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018
Honey																127	345									195	
Hot Peppers																			114	268							
Infant Formula, Dairy																						163	487				
Infant Formula, Soy-based																						170	513				
Kidney Beans, Canned																	168	161									
Kiwi Fruit																										98	
Lettuce	563	642	688					179	721	543			730	725					716	699					355	707	349
Mangoes																			5							7	12
Milk					570	727	595						729	726						664					632	630	
Mushrooms										157	644	469								165	637	464					
Nectarines									340	358						344	441					301	466	352			
Oats Grain																			261				265				
Olives, Canned																									145	611	438
Onion											664	647								167	485					602	
Orange Juice						488	368						166	551	348				22	142	213						
Oranges	566	617	677	678	510				710	699			690	699				674	663					618	611		
Papaya																				76	88						
Peaches	223	214	274	253	199				273	263	275	267			66	357	411					254	495	179			
Peaches, Canned						745						716	720														708
Peaches-Single Servings									272																		
Peanut Butter									691						701										294		
Pear Juice, Conc./Puree												56															
Pears						587	613	279				180	634	439				612	640					592	586		
Pears, Canned								354	354																		
Pears-Single Servings							324	275																			
Pineapple, Canned																										23	
Pineapples									149	273	137																
Pinto Beans, Canned																		323									
Plums														336	313					137	399	227					
Plums, Dried (Prunes)														143	208											106	318
Pork Adipose														345													
Pork Muscle														345													
Potatoes	566	632	686	700					364	709	352						717	718						660	653		
Potatoes, Frozen															628	582											
Poultry Adipose									476	155																	
Poultry Liver									480	155																	
Poultry Muscle									145	154																	
Poultry, Breast															655												
Poultry, Thigh															655												
Raisins															361	343											639
Raspberries																						401					
Raspberries, Frozen																						6					
Rice									176	679	486						150	365					213				124
Snap Peas																				217	213					219	231
Soybean grain						159	590						616	973						300							
Spinach				601	486	488					332	681			472		687	673						630	624		
Spinach, Canned						168	687						366						181	198							
Spinach, Frozen								693											179	175							134
Strawberries							571	612	494				683	686			649	649						144	598	451	
Strawberries, Frozen							43	69	36																		68
Summer Squash															89	453	352				97	383	305				
Sweet Bell Peppers								518	540		151	515	391						421	464	64						
Sweet Corn, Can/Frozen			452	651	169					178	702	517						30	66	67				38	53
