

Overview of Paediatric Admissions at Phebe Hospital August 2021-March 2022 when International Advanced Nurse Practitioner (ANP)

was present but training had not started (Foundation course occurred in March 2022)

The data for this analysis has been taken from the paediatric ward admissions book at Phebe Hospital except for August and September 2021 which was taken from ANP's personal logbook due to the admissions book not being located by the records department.
