

**Table S1.** Intra-assay and inter-assay variation for dPCR.

|             |       | Mean  | standard deviation | % CV |
|-------------|-------|-------|--------------------|------|
| Intra-assay | TRECs | 6744  | 720                | 11   |
|             | KRECs | 19653 | 1664               | 8    |
| Inter-assay | TRECs | 7522  | 1004               | 13   |
|             | KRECs | 19758 | 2943               | 15   |
