Additional file 1: Fig. S1

Additional file 1: Fig. S1 The expression of MUC16 in ovarian cells (SKOV3, OVCAR3). (A) In the main body of the text, the original Western blot image in Figure 1b was cropped to include all pertinent lanes and bands. (B, C) Quantification of RNA transcripts (B) and live cell immunofluorescence detection (C) for MUC16 in ovarian cells (SKOV3, OVCAR3). Representative confocal image of MUC16 protein expression in various ovarian cancer cell lines. Scale bars = 50 μ m.
