

Abstraction Form for a Systematic Review of Practical, Robust Implementation and Sustainability Model (PRISM)

Primary Topic Area(s)

(Select up to 3)

If other, please specify

Study Setting

- ☐ Community
- ☐ School
- ☐ Faith-based
- ☐ Workplace
- ☐ Health Department (city, county, or state)
- ☐ National Health Initiative
- ☐ Clinical: In-Patient
- ☐ Clinical: Out-Patient
- ☐ Other

Other Study Setting

Study Location

- ☐ US
- ☐ Canada
- ☐ Europe
- ☐ Africa
- ☐ Central and South America
- ☐ Asia
- ☐ Australia/ NewZealand/ Nearby Islands
- ☐ Other

Name of Country (or Countries)

Was the study conducted in a low-middle income country?

- ☐ Yes
- ☐ No

Purpose Context

- ☐ Planning and development
- ☐ Implementation
- ☐ Evaluation
- ☐ Dissemination
- ☐ Sustainment
- ☐ Other

If other, please specify

Study Design

- ☐ RCT
- ☐ Cohort
- ☐ Case Control
- ☐ Observational
- ☐ Meta-Analysis
- ☐ Narrative Piece
- ☐ Pre/Post
- ☐ Case Study
- ☐ Stand-Alone Protocol Paper
- ☐ Other

If other, please specify

Please search to see if this study team has since published more articles on this study.

- ☐ Yes
- ☐ No

Did you find more articles?

Paper 1 Citation

Upload Paper 1 if available

Paper 2 Citation

Upload Paper 2 if available

Paper 3 Citation

Upload Paper 3 if available

Study Type

- ☐ Efficacy
- ☐ Effectiveness
- ☐ Implementation
- ☐ HEI Type 1
- ☐ HEI Type 2
- ☐ HEI Type 3
- ☐ Dissemination
- ☐ Methods development
- ☐ Pilot study
- ☐ Other

If other, please specify

Target Population

- ☐ Patient/community member level
- ☐ Provider/delivery agent level
- ☐ Setting level
- ☐ Other

If "other" target population, please describe.

Patient/Community Sample Size

(NR= Not Reported)

Patient/Community population details

Provider Sample Size
(Please include unit. Ex. 24 physicians)

(NR= Not Reported)

Provider population details

Setting Sample Size
(Please include unit. Ex. 3 hospitals)

(NR= Not Reported)

Setting population details

Level/Unit of Study
(What level is the study randomizing at?)

- ☐ Individual (patient/participant)
☐ Recipient (provider/implementation staff)
☐ Setting
☐ Community
☐ Multi-Level (e.g. nested RCT)
☐ Other
-

If other, please specify

Methods Used

- ☐ Quantitative
☐ Qualitative
☐ Mixed Methods (only if quant/qual integrated)
☐ Narrative
☐ Multi-Methods (if quant/qual not integrated)
☐ Other
-

If other, please specify

Study objectives
(Copy from introduction or summarize in 2 sentences)

Please briefly describe the intervention 2-3 sentences

Please briefly describe the implementation
strategy(ies) 2-3 sentences

Study Conclusions/Findings

Lessons learned (positive and negative)

General Study: Further Abstraction or Additional Notes

PRISM Use in Study

Study Name: [reviewer_1_arm_1][title_1]
First Author: [reviewer_1_arm_1][author1name_1]
Year of Publication: [reviewer_1_arm_1][year_1]
Abstract: [reviewer_1_arm_1][abstract_1]

PRISM use for this study

- ☐ Planning/Development
- ☐ Implementation
- ☐ Evaluation
- ☐ Dissemination
- ☐ Sustainment

Please rate the use/operationalization of PRISM
domains for Planning
0-5; 0= Poor and 5= Excellent

Please explain score for use/operationalization for
Planning

Please rate the use/operationalization of PRISM
domains for Dissemination
0-5; 0= Poor and 5= Excellent

Please explain score for use/operationalization for
Dissemination

Please rate the use/operationalization of PRISM
domains for Implementation
0-5; 0= Poor and 5= Excellent

Please explain score for use/operationalization for
Implementation

Please rate the use/operationalization of PRISM
domains for Evaluation
0-5; 0= Poor and 5= Excellent

Please explain score for use/operationalization for
Evaluation

Please rate the use/operationalization of PRISM domains for Sustainment
0-5; 0= Poor and 5= Excellent

Please explain score for use/operationalization for Sustainment

Was PRISM used with another framework?

- ☐ Yes
☐ No
-

What other framework(s) were used with PRISM?

Did the paper discuss adaptations to PRISM

- ☐ Yes
☐ No
-

Please describe how PRISM was adapted for this study.

Which PRISM domains were addressed in this study?

- ☐ Program/Intervention- Organizational
☐ Program/Intervention- Patient
☐ Recipients- Organizational Characteristics
☐ Recipients- Patient Characteristics
☐ Implementation and sustainability Infrastructure
☐ External Environment
☐ Did not report
-

PRISM Program/Intervention: Organizational Perspective

Which subdomains were assessed?

- ☐ Readiness
☐ Strength of the evidence base
☐ Addresses barriers of frontline staff
☐ Coordination across departments and specialties
☐ Usability and adaptability
☐ Trialability and reversibility
☐ Ability to observe results
☐ Burden (complexity and cost)
☐ Other: write in
-

Other PRISM Subdomain 1

Other PRISM Subdomain 2

Other PRISM Subdomain 3

How was this domain operationalized?

- ☐ Quantitative
☐ Qualitative
☐ Mixed Methods
☐ Narrative
☐ Multi-Methods
☐ Other

If other, please specify

RE-AIM Outcomes for this domain

- ☐ Reach
☐ Effectiveness
☐ Adoption: Setting
☐ Adoption: Staff
☐ Implementation
☐ Maintenance Individual
☐ Maintenance Organizational

How was this domain operationalized?

(Add information about instrument used, item, etc.)

PRISM Program/Intervention: Patient Perspective

Which subdomains were assessed?

- ☐ Patient centeredness
☐ Provides patient choices
☐ Addresses patient barriers
☐ Seamlessness of transition between program elements
☐ Feedback of results
☐ Service and access
☐ Burden (complexity and cost)
☐ Other: write in
☐

Other PRISM Subdomain 1

Other PRISM Subdomain 2

Other PRISM Subdomain 3

PRISM Use for this domain

- ☐ Quantitative
☐ Qualitative
☐ Mixed Methods
☐ Narrative
☐ Multi-Methods
☐ Other

How was this domain operationalized?

RE-AIM Outcomes for this domain

- ☐ Reach
- ☐ Effectiveness
- ☐ Adoption: Setting
- ☐ Adoption: Staff
- ☐ Implementation
- ☐ Maintenance Individual
- ☐ Maintenance Organizational

How was this domain operationalized?
(Add information about instrument used, item, etc.)

PRISM Recipients: Organizational Characteristics

Which subdomains were assessed?

- ☐ Organizational health and culture
- ☐ Management support and communication
- ☐ Clinical leadership
- ☐ Systems and training
- ☐ Data and decision support
- ☐ Staffing and incentives
- ☐ Expectation of sustainability
- ☐ Shared goals and cooperation
- ☐ Other: write in

Other PRISM Subdomain 1

Other PRISM Subdomain 2

Other PRISM Subdomain 3

PRISM Use for this domain

- ☐ Quantitative
- ☐ Qualitative
- ☐ Mixed Methods
- ☐ Narrative
- ☐ Multi-Methods
- ☐ Other

How was this domain operationalized?

RE-AIM Outcomes for this domain

- ☐ Reach
- ☐ Effectiveness
- ☐ Adoption: Setting
- ☐ Adoption: Staff
- ☐ Implementation
- ☐ Maintenance Individual
- ☐ Maintenance Organizational

How was this domain operationalized?
(Add information about instrument used, item, etc.)

PRISM Recipients: Patient Characteristics

Which subdomains were assessed?

- ☐ Demographics
- ☐ Disease burden
- ☐ Competing demands
- ☐ Knowledge and beliefs
- ☐ Other: write in

Other PRISM Subdomain 1

Other PRISM Subdomain 2

Other PRISM Subdomain 3

PRISM Use for this domain

- ☐ Quantitative
- ☐ Qualitative
- ☐ Mixed Methods
- ☐ Narrative
- ☐ Multi-Methods
- ☐ Other

How was this domain operationalized?

RE-AIM Outcomes for this domain

- ☐ Reach
- ☐ Effectiveness
- ☐ Adoption: Setting
- ☐ Adoption: Staff
- ☐ Implementation
- ☐ Maintenance Individual
- ☐ Maintenance Organizational

How was this domain operationalized?
(Add information about instrument used, item, etc.)

PRISM Implementation and Sustainability Infrastructure

Which subdomains were assessed?

- ☐ Performance data
- ☐ Dedicated team
- ☐ Adopter training and support
- ☐ Relationship and communication with adopters
(bridge researchers)
- ☐ Facilitation of sharing of best practices
- ☐ Plan for sustainability
- ☐ Adaptable protocols and procedures
- ☐ Other: write in

Other PRISM Subdomain 1

Other PRISM Subdomain 2

Other PRISM Subdomain 3

PRISM Use for this domain

- ☐ Quantitative
 - ☐ Qualitative
 - ☐ Mixed Methods
 - ☐ Narrative
 - ☐ Multi-Methods
 - ☐ Other
-

How was this domain operationalized?

RE-AIM Outcomes for this domain

- ☐ Reach
 - ☐ Effectiveness
 - ☐ Adoption: Setting
 - ☐ Adoption: Staff
 - ☐ Implementation
 - ☐ Maintenance Individual
 - ☐ Maintenance Organizational
-

How was this domain operationalized?
(Add information about instrument used, item, etc.)

PRISM External Environment

Which subdomains were assessed?

- ☐ Payor satisfaction
 - ☐ Competition
 - ☐ Regulatory environment
 - ☐ Community resources
 - ☐ Reimbursement
 - ☐ Other: write in
-

Other PRISM Subdomain 1

Other PRISM Subdomain 2

Other PRISM Subdomain 3

PRISM Use for this domain

- ☐ Quantitative
- ☐ Qualitative
- ☐ Mixed Methods
- ☐ Narrative
- ☐ Multi-Methods
- ☐ Other

How was this domain operationalized?

RE-AIM Outcomes for this domain

- ☐ Reach
 - ☐ Effectiveness
 - ☐ Adoption: Setting
 - ☐ Adoption: Staff
 - ☐ Implementation
 - ☐ Maintenance Individual
 - ☐ Maintenance Organizational
-

How was this domain operationalized?
(Add information about instrument used, item, etc.)

PRISM Miscellaneous comments/information

Please use this space for any additional
notes/comments

RE-AIM Outcomes at the Study Level

RE-AIM use for this study

- ☐ Planning
 - ☐ Implementation
 - ☐ Evaluation
 - ☐ Dissemination
 - ☐ Sustainment
 - ☐ Not Reported
-

Please rate the use/operationalization of RE-AIM for
Planning
0-5; 0= Poor and 5= Excellent

Please explain score for use/operationalization for
Planning

Please rate the use/operationalization of RE-AIM for
Dissemination
0-5; 0= Poor and 5= Excellent

Please explain score for use/operationalization for
Dissemination

Please rate the use/operationalization of RE-AIM for
Implementation
0-5; 0= Poor and 5= Excellent

Please explain score for use/operationalization for
Implementation

Please rate the use/operationalization of RE-AIM for
Evaluation
0-5; 0= Poor and 5= Excellent

Please explain score for use/operationalization for
Evaluation

Please rate the use/operationalization of RE-AIM for
Sustainment
0-5; 0= Poor and 5= Excellent

Please explain score for use/operationalization for
Sustainment

Please select the RE-AIM outcomes for this study

- ☐ Reach
- ☐ Effectiveness
- ☐ Adoption: Setting
- ☐ Adoption: Staff
- ☐ Implementation
- ☐ Maintenance Individual
- ☐ Maintenance Organizational
- ☐ Did not report

RE-AIM Reach

How was Reach operationalized for this study?

- ☐ Quantitative
- ☐ Qualitative
- ☐ Mixed Methods
- ☐ Narrative
- ☐ Multi-Methods
- ☐ Other

If other, please specify

How was Reach operationalized for this study?

Findings for Reach

RE-AIM Effectiveness

How was Effectiveness operationalized for this study?

- ☐ Quantitative
- ☐ Qualitative
- ☐ Mixed Methods
- ☐ Narrative
- ☐ Multi-Methods
- ☐ Other

If other, please specify

How was Effectiveness operationalized for this study?

Findings for Effectiveness

RE-AIM Adoption: Setting

How was Adoption in the Setting operationalized for this study?

- ☐ Quantitative
- ☐ Qualitative
- ☐ Mixed Methods
- ☐ Narrative
- ☐ Multi-Methods
- ☐ Other

If other, please specify

How was Adoption in the Setting operationalized for this study?

Findings for Adoption in the Setting

RE-AIM Adoption: Staff

How was Adoption for the Staff operationalized for this study?

- ☐ Quantitative
- ☐ Qualitative
- ☐ Mixed Methods
- ☐ Narrative
- ☐ Multi-Methods
- ☐ Other

If other, please specify

How was Adoption for the Staff operationalized for this study?

Findings for Adoption for the Staff

RE-AIM Implementation

How was Implementation operationalized for this study?

- ☐ Quantitative
- ☐ Qualitative
- ☐ Mixed Methods
- ☐ Narrative
- ☐ Multi-Methods
- ☐ Other

If other, please specify

How was Implementation operationalized for this study?

Findings for Implementation

RE-AIM Maintenance Individual

How was Maintenance for the Individual operationalized for this study?

- ☐ Quantitative
- ☐ Qualitative
- ☐ Mixed Methods
- ☐ Narrative
- ☐ Multi-Methods
- ☐ Other

If other, please specify

How was Maintenance for the Individual operationalized for this study?

Findings for Maintenance for the Individual

RE-AIM Maintenance Organizational

How was Maintenance for the Organization operationalized for this study?

- ☐ Quantitative
- ☐ Qualitative
- ☐ Mixed Methods
- ☐ Narrative
- ☐ Multi-Methods
- ☐ Other

If other, please specify

How was Maintenance for the Organization operationalized for this study?

Findings for Maintenance for the Organization

RE-AIM Miscellaneous comments/information

Please use this space for any additional
notes/comments
