

Extra Added 3xTg mice brain samples for Beta-Amyloid immunostaining

CA1 region 4G8

Cortex region 4G8

Extra Added 3xTg mice brain samples for Tau immunostaining

CA1 region AT8

Cortex region AT8

Extra Added 3xTg mice brain samples for Tau immunostaining

CA1 region AT100

Cortex region AT100

Extra Added 3xTg mice brain samples for Tau immunostaining

CA1 region Tau N368

Cortex region Tau N368

Extra Added P301S mice brain samples for Tau immunostaining

CA1 region AT8

Cortex region AT8

Extra Added P301S mice brain samples for Tau immunostaining

CA1 region Tau N368

Cortex region Tau N368

Extra Added P301S mice brain samples for Tau immunostaining

CA1 region AT100

Cortex region AT100
