

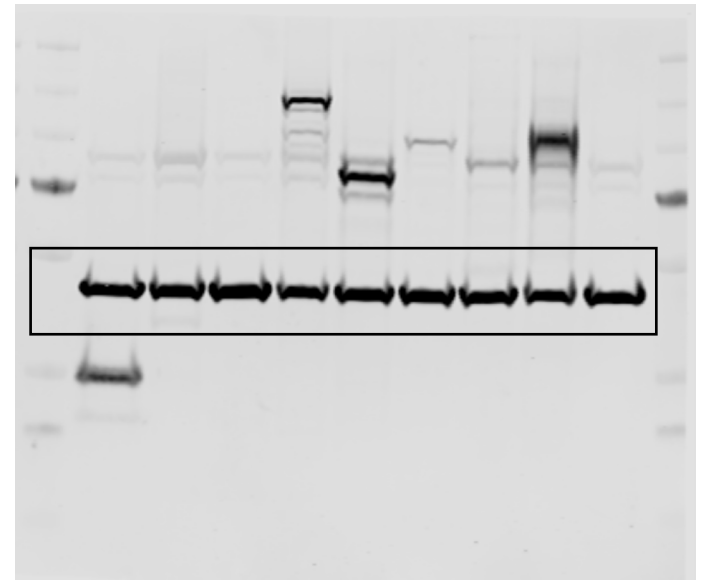

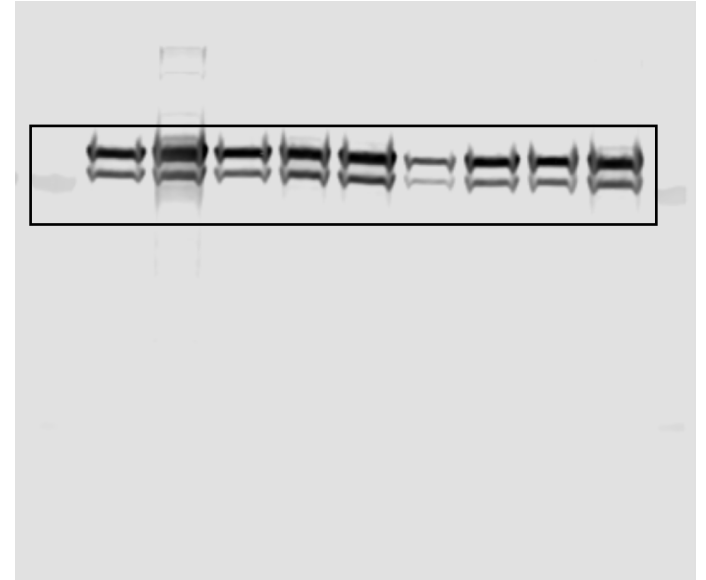

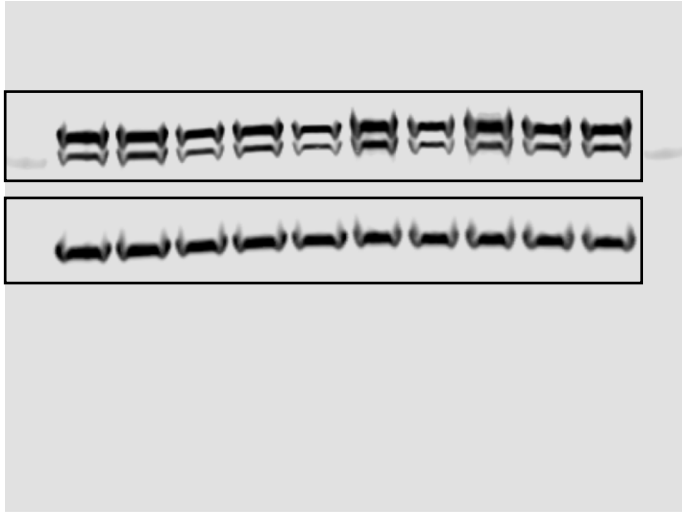

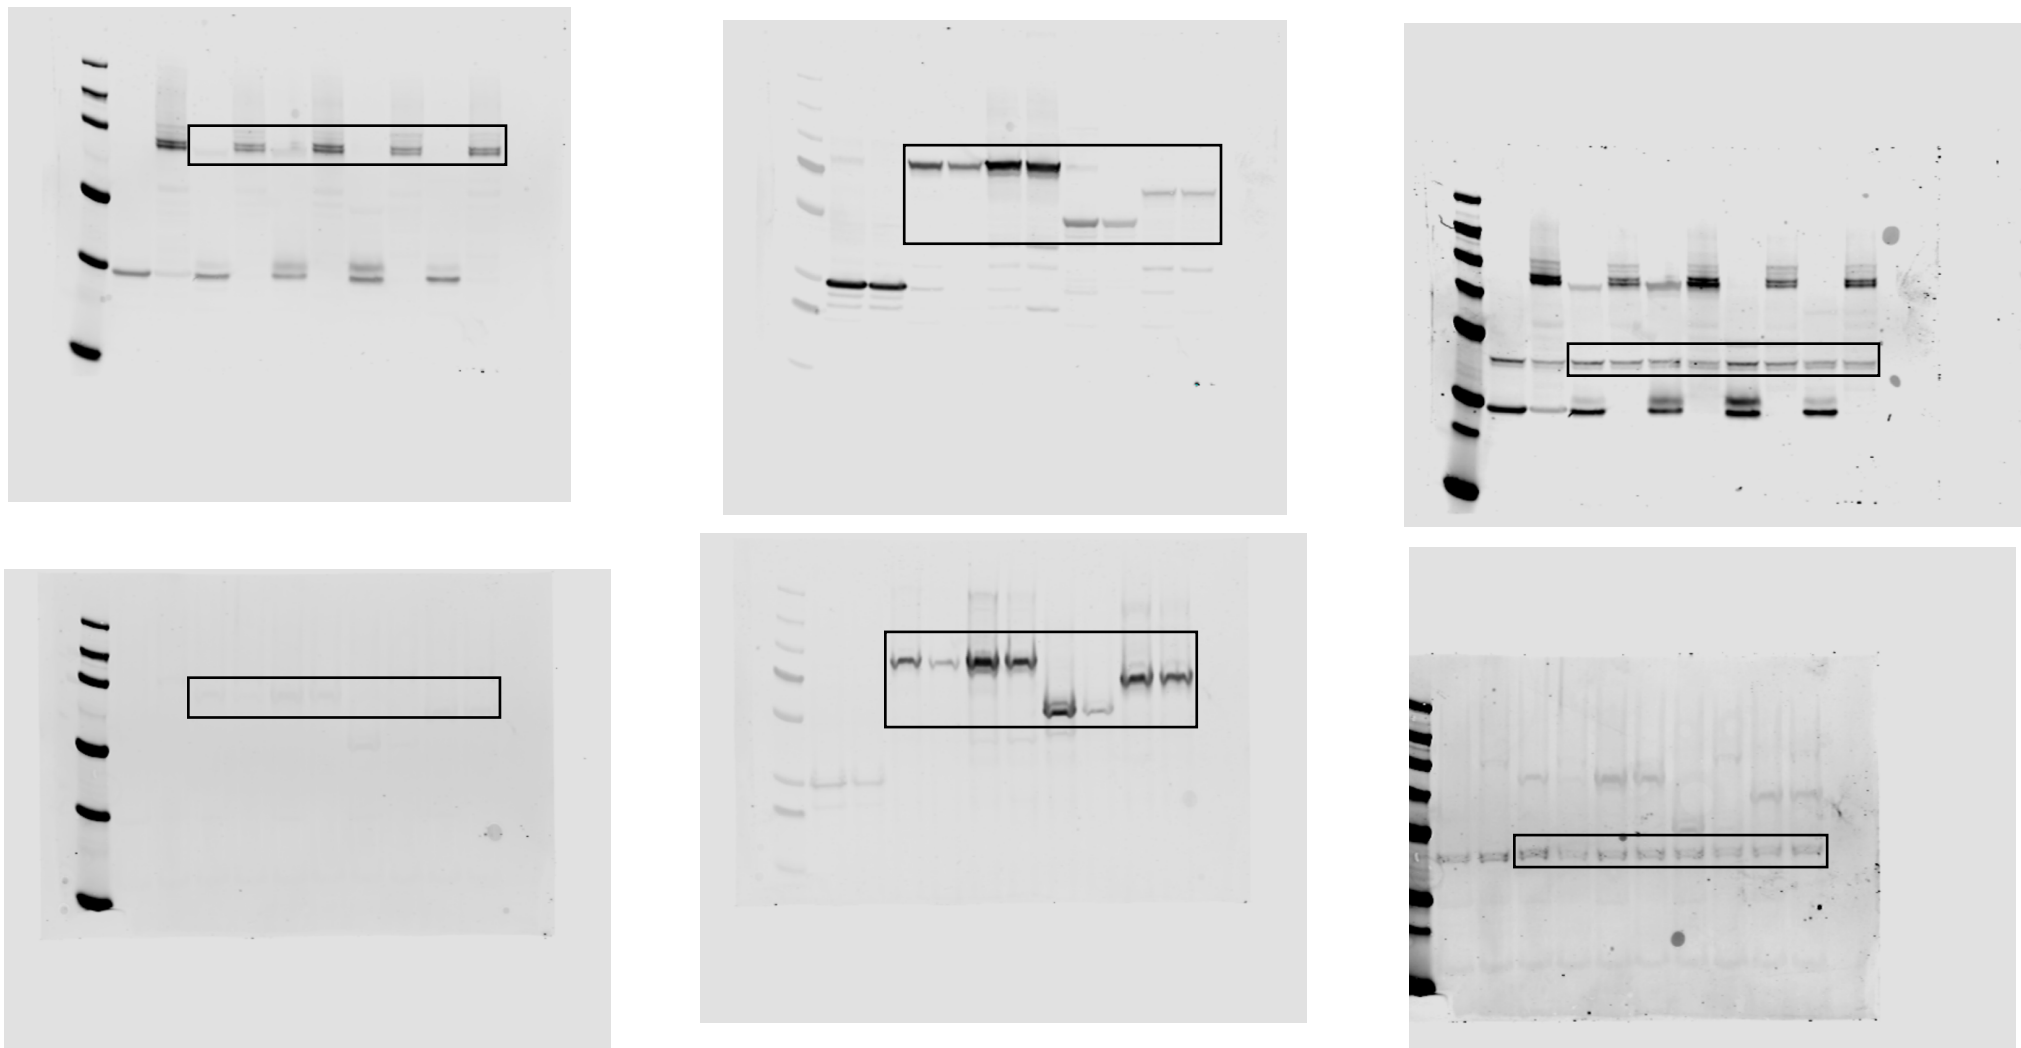

Figure 1, Panel A

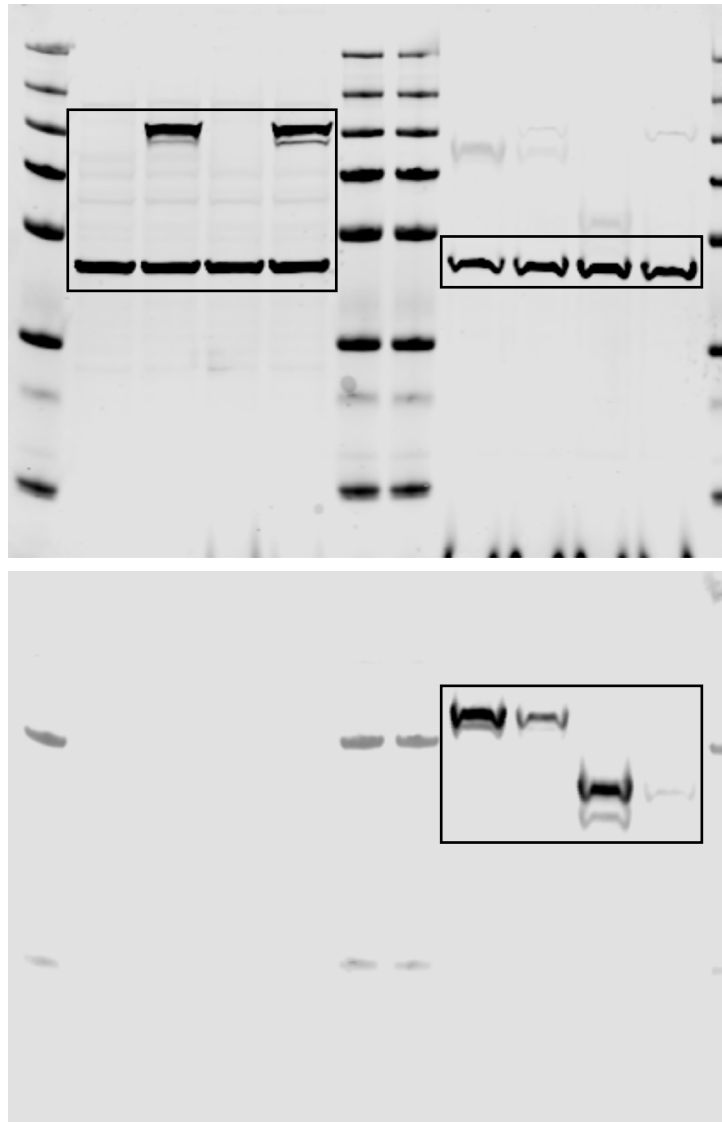

RIPA buffer-insoluble fraction
Cropped sections used for figures denoted by black box.

Figure 2, Panel B

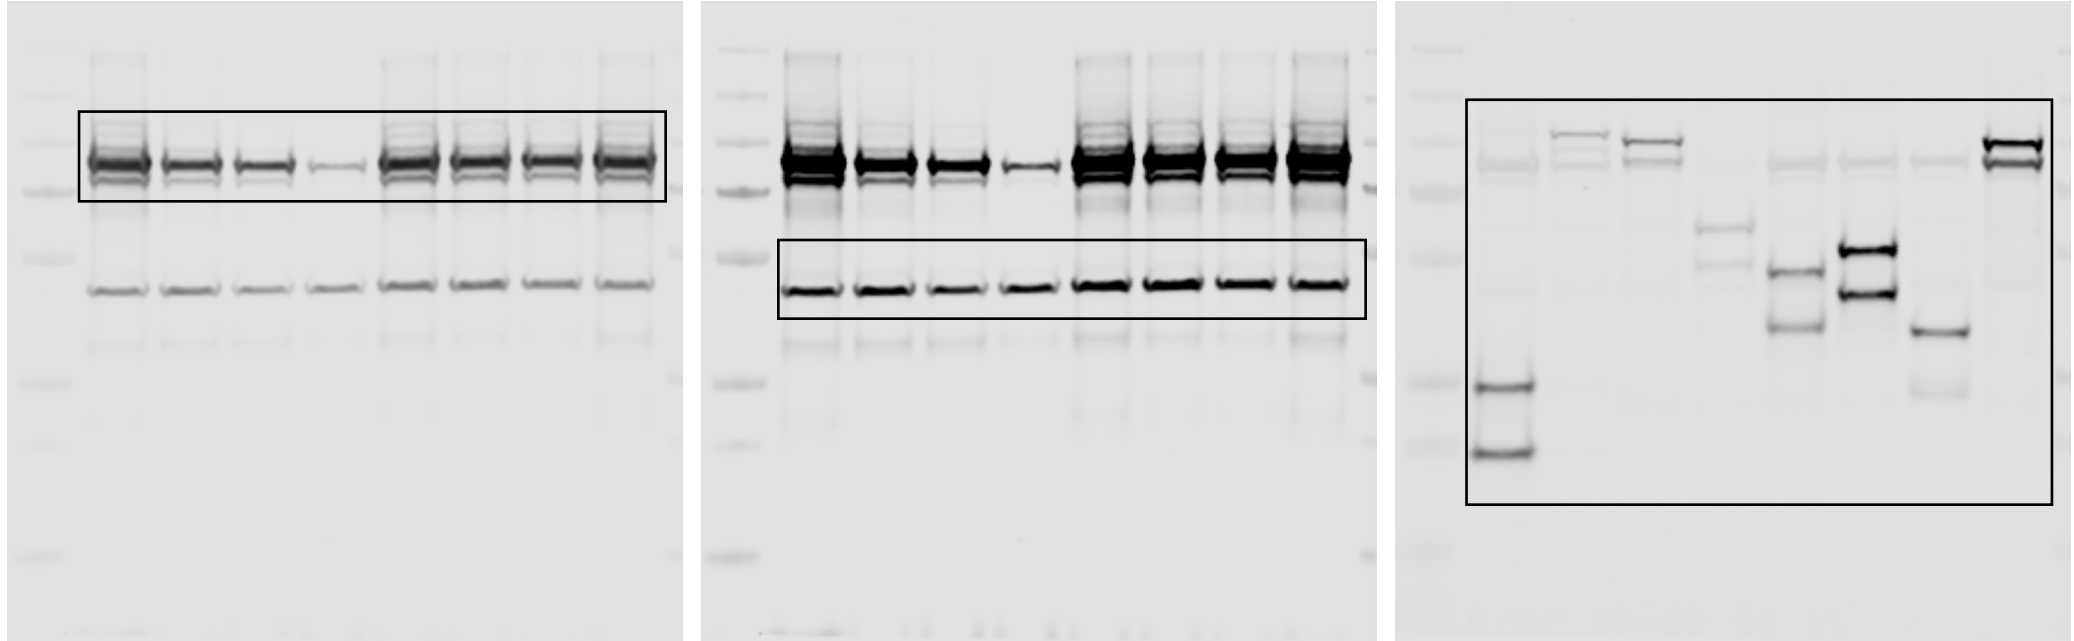

RIPA buffer-soluble and -insoluble fractions
Cropped sections used for figures denoted by black box.

Figure 2, Panel E

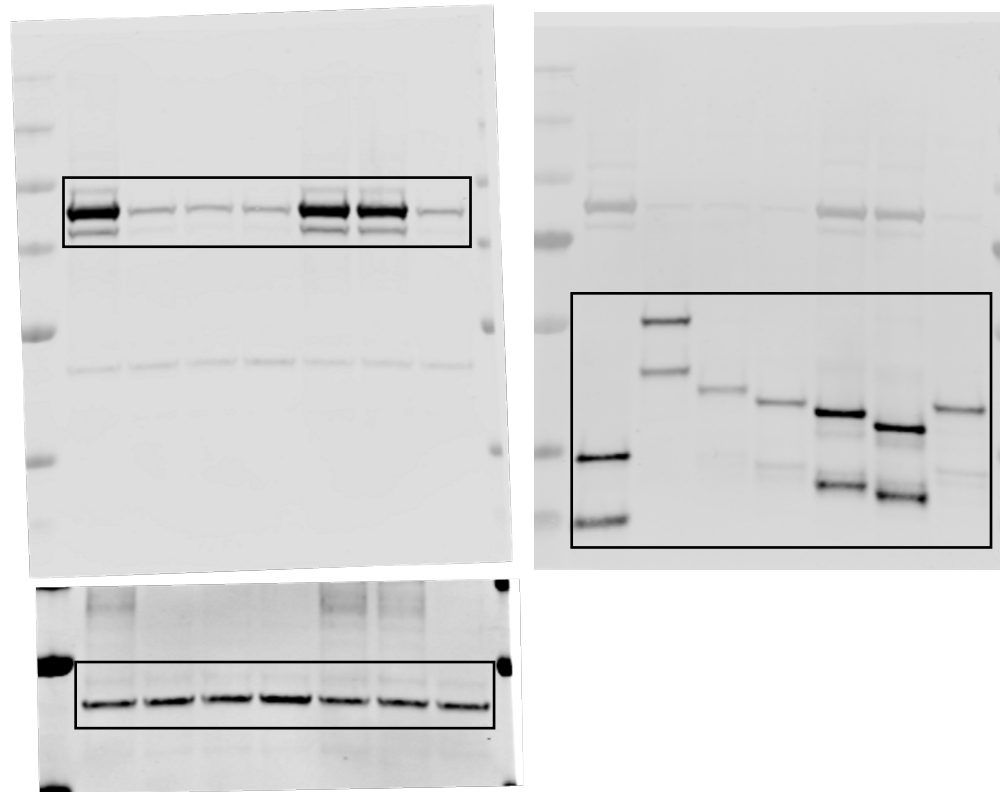

RIPA buffer-soluble and -insoluble fractions
Cropped sections used for figures denoted by black box.

Figure 3, Panel B

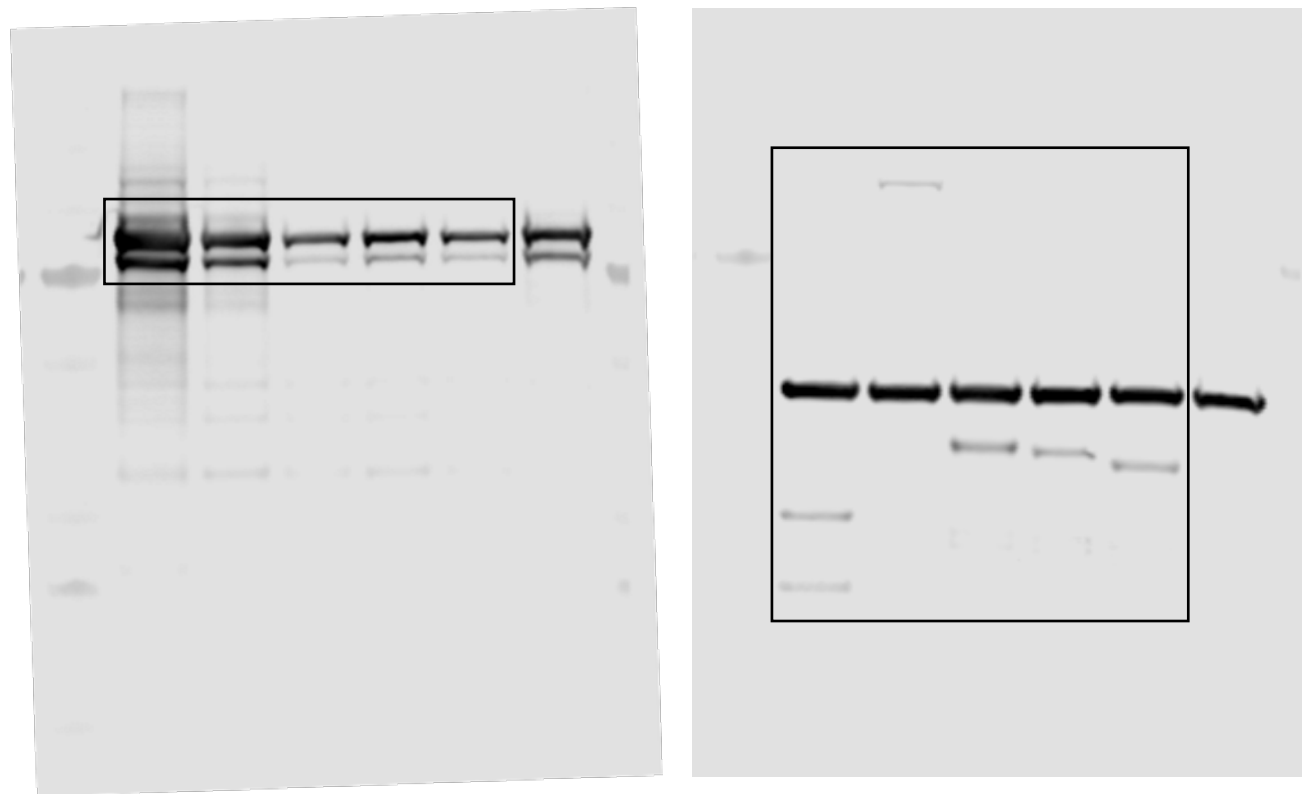

RIPA buffer-insoluble fraction
Cropped sections used for figures denoted by black box.

Figure 4, Panel B

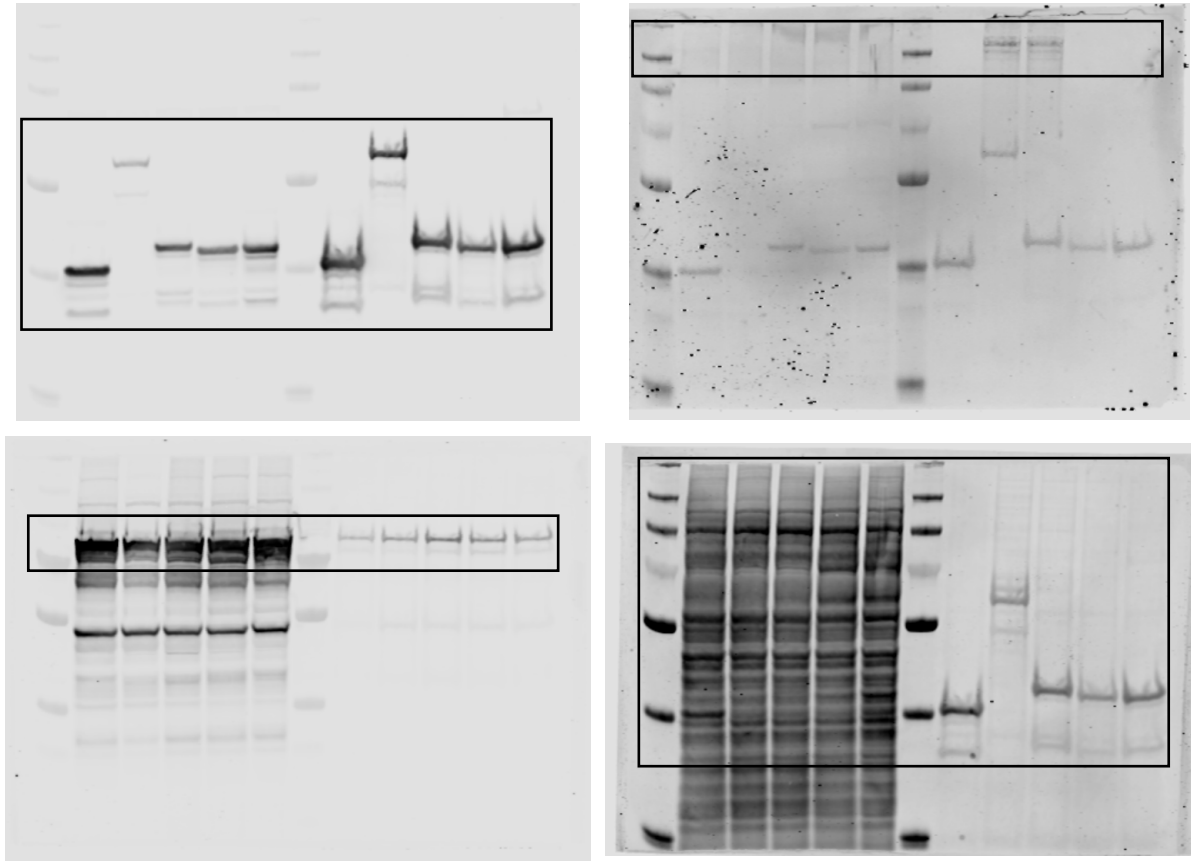

RIPA buffer-insoluble fraction
Cropped sections used for figures denoted by black box.

Figure 4, Panel C

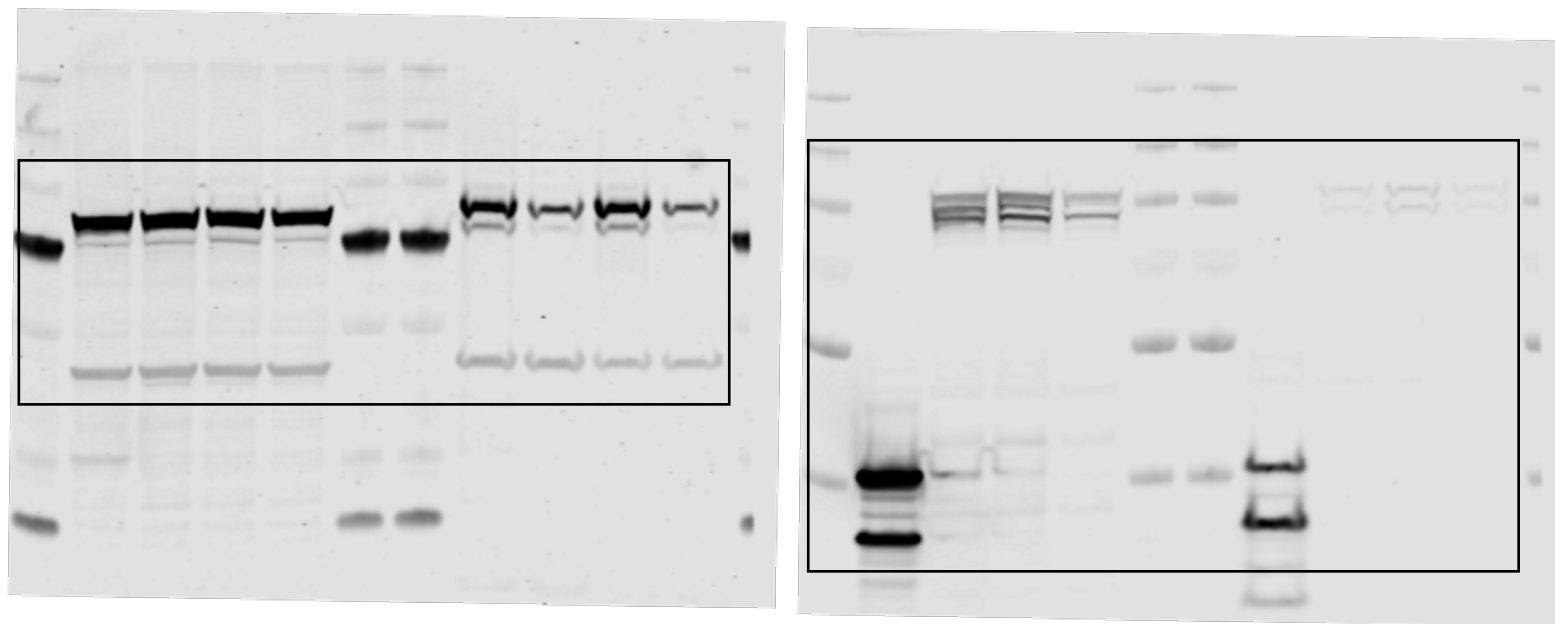

RIPA buffer-insoluble fraction
Cropped sections used for figures denoted by black box.

Figure 6, Panel E

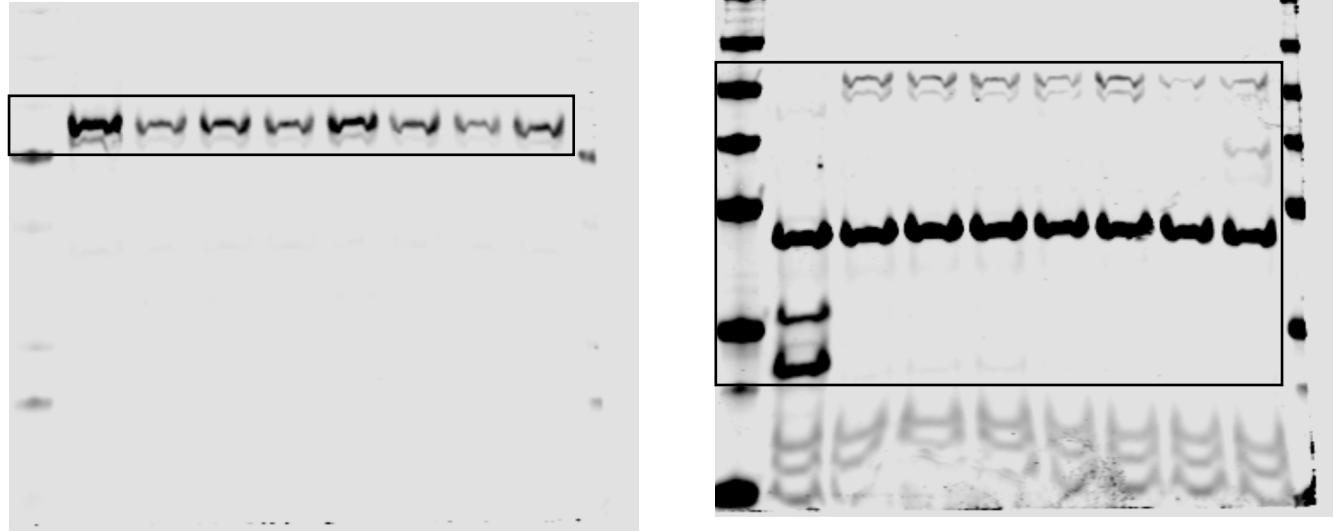

Input and IP
Cropped sections used for figures denoted by black box.

Figure 6, Panel H

RIPA buffer-soluble and -insoluble fractions
Cropped sections used for figures denoted by black box.

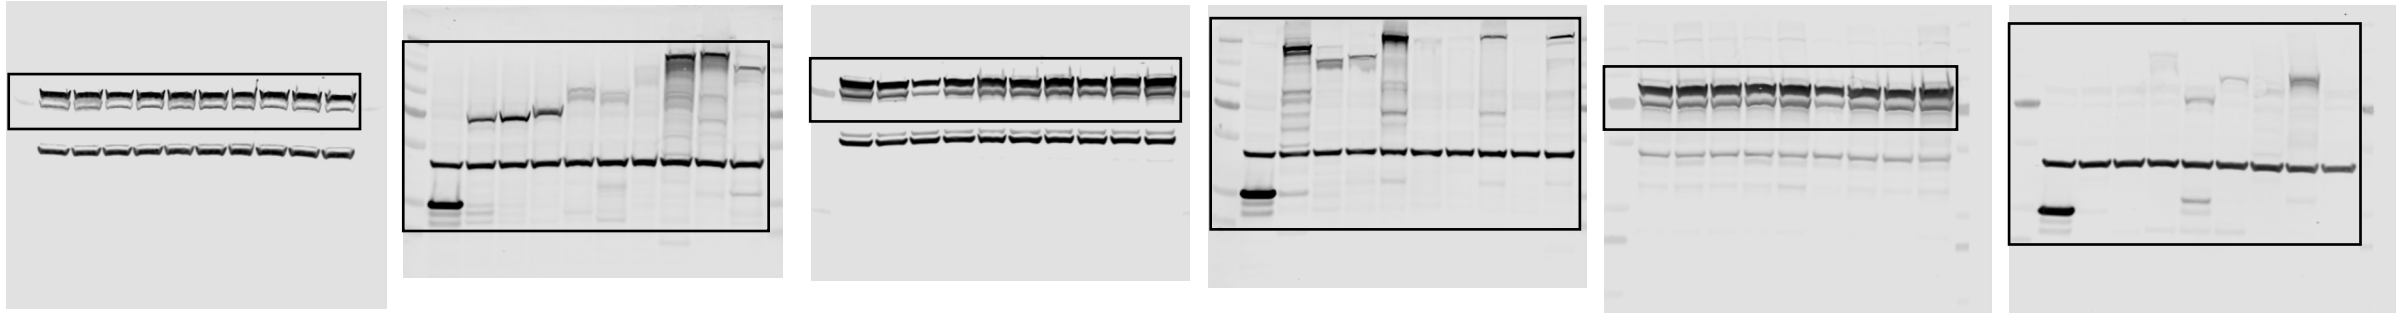

Figure 7, Panel B

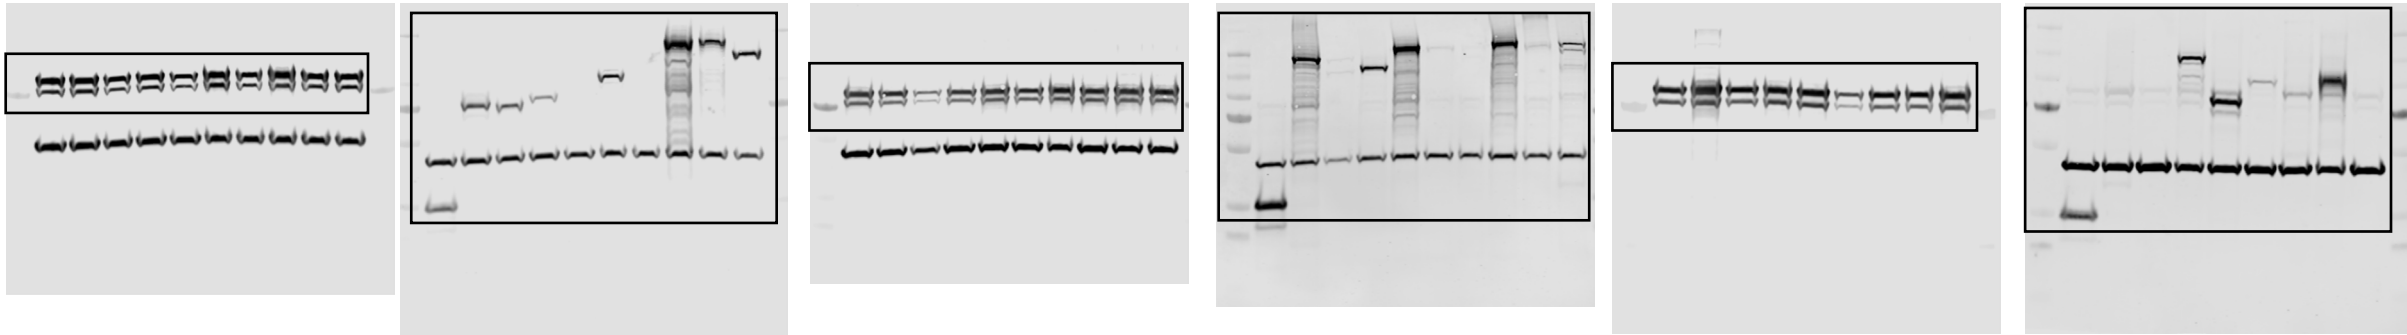

RIPA buffer-insoluble fraction
Cropped sections used for figures denoted by black box.

figure S1

RIPA-soluble

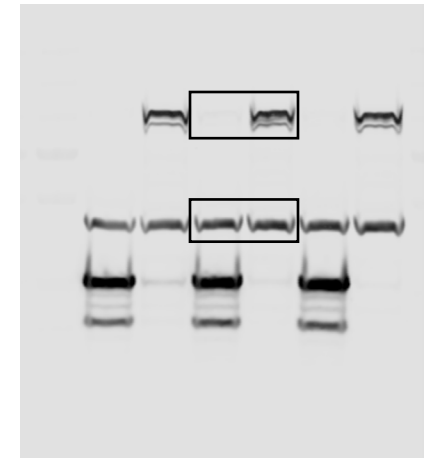

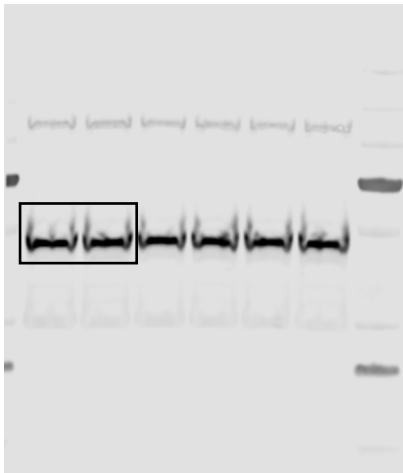

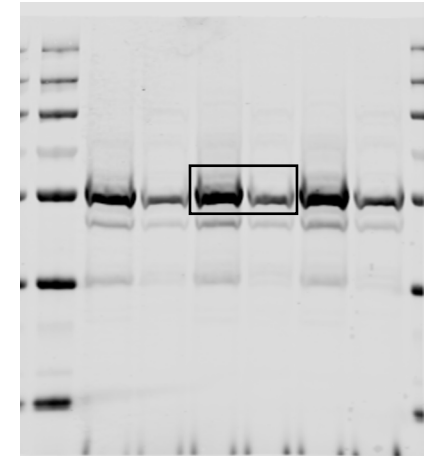

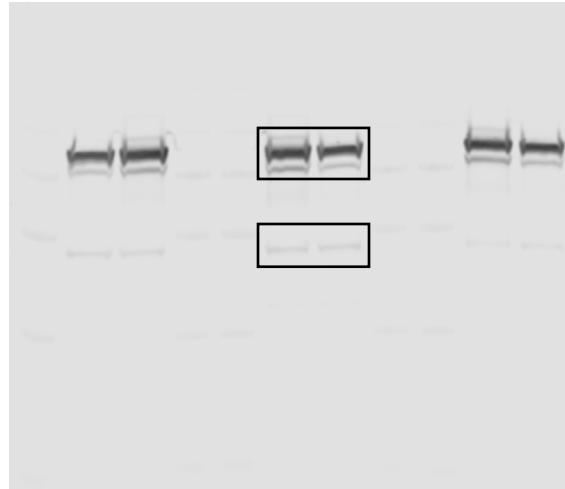

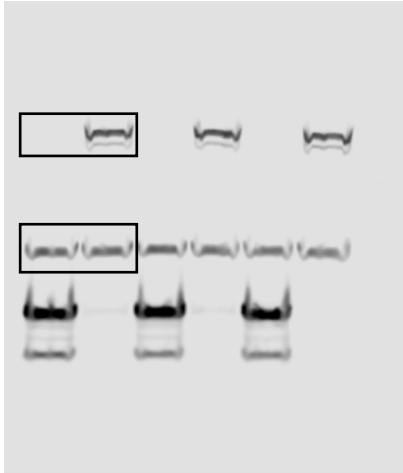

RIPA-insoluble

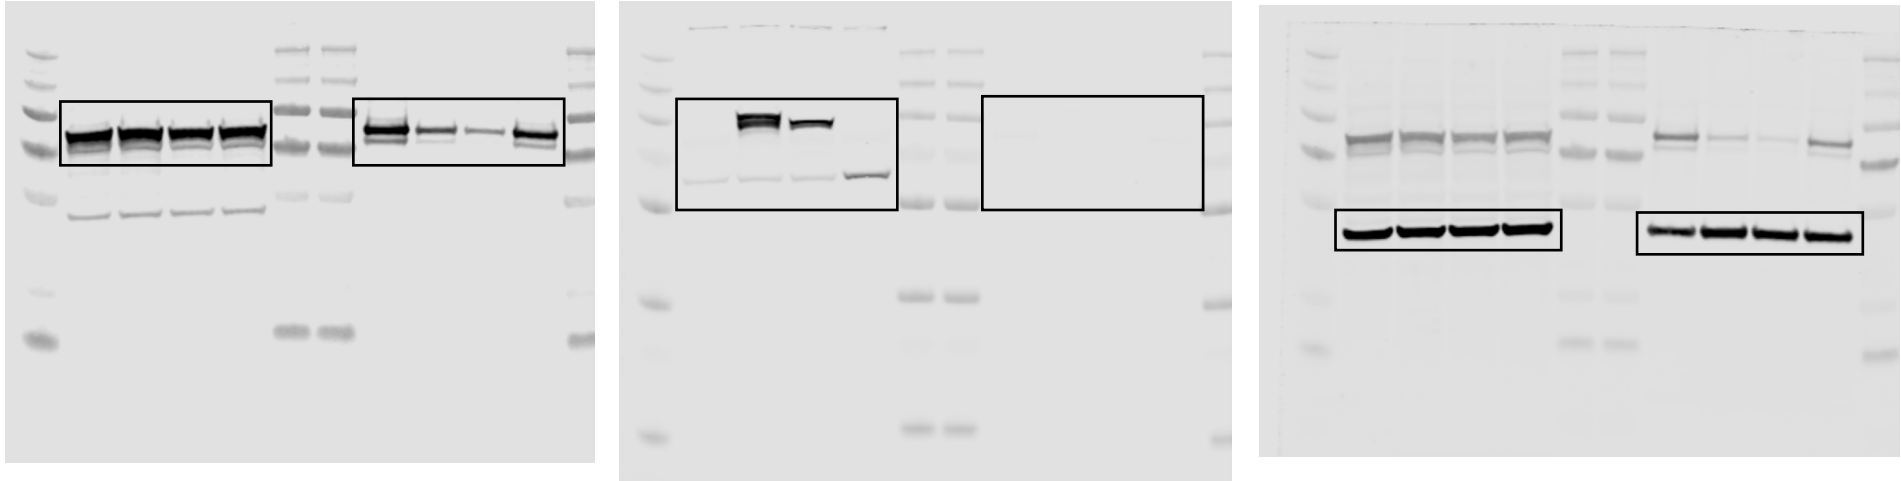

RIPA buffer-soluble and -insoluble fractions
Cropped sections used for figures denoted by black box.

figure S2, Panels B-D

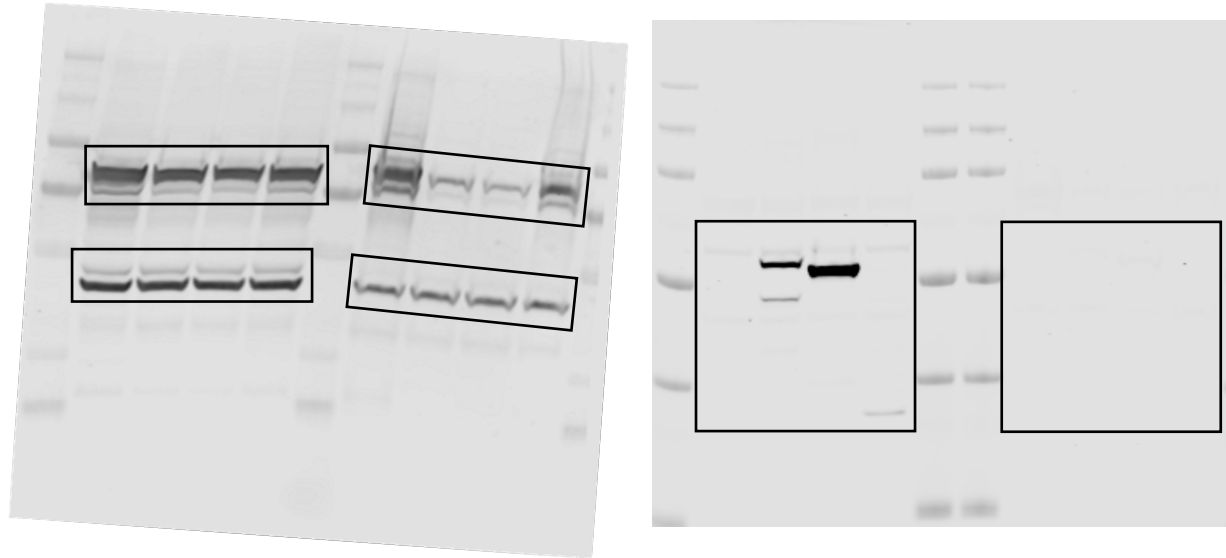

Urea total protein fractions
Cropped sections used for figures denoted by black box.

figure S3, panels B and D

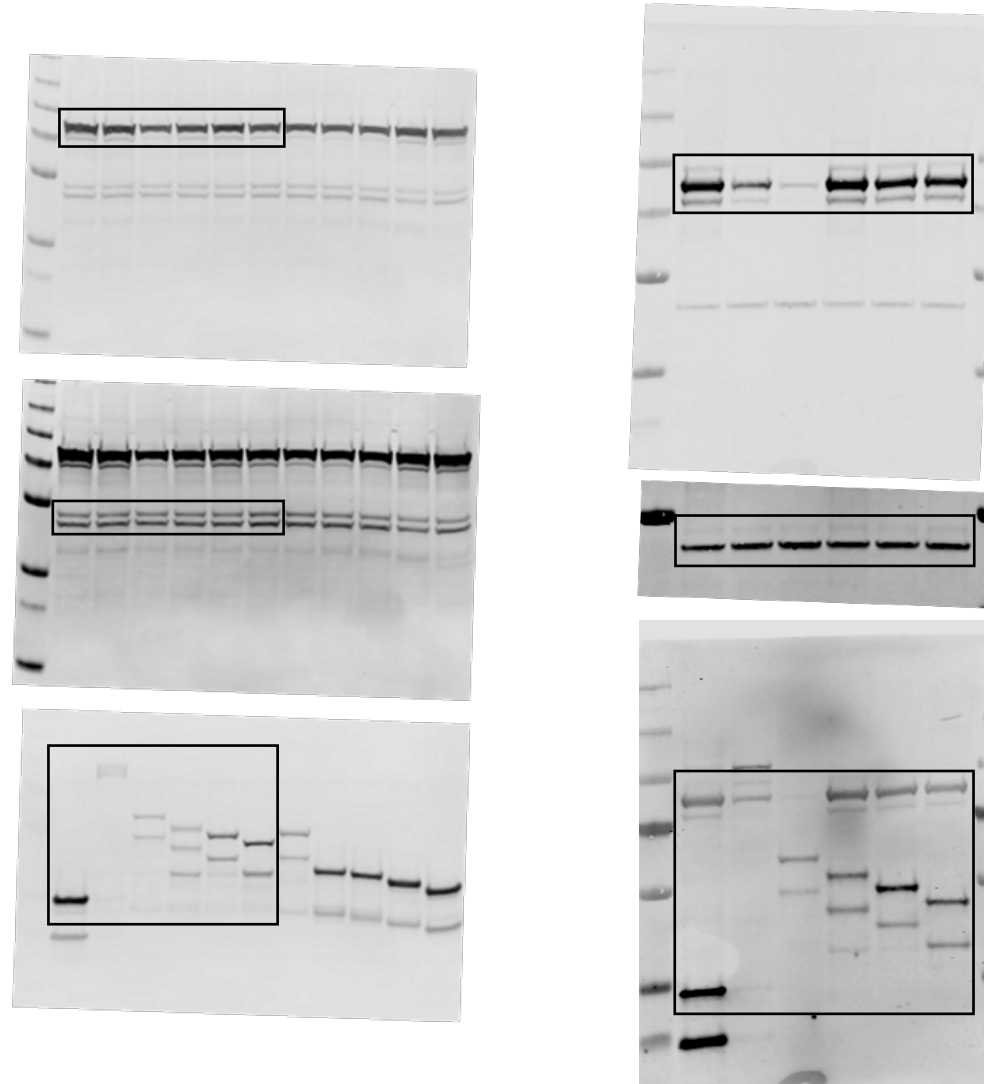

RIPA buffer-soluble and -insoluble fractions
Cropped sections used for figures denoted by black box.

figure S3, panels E and G

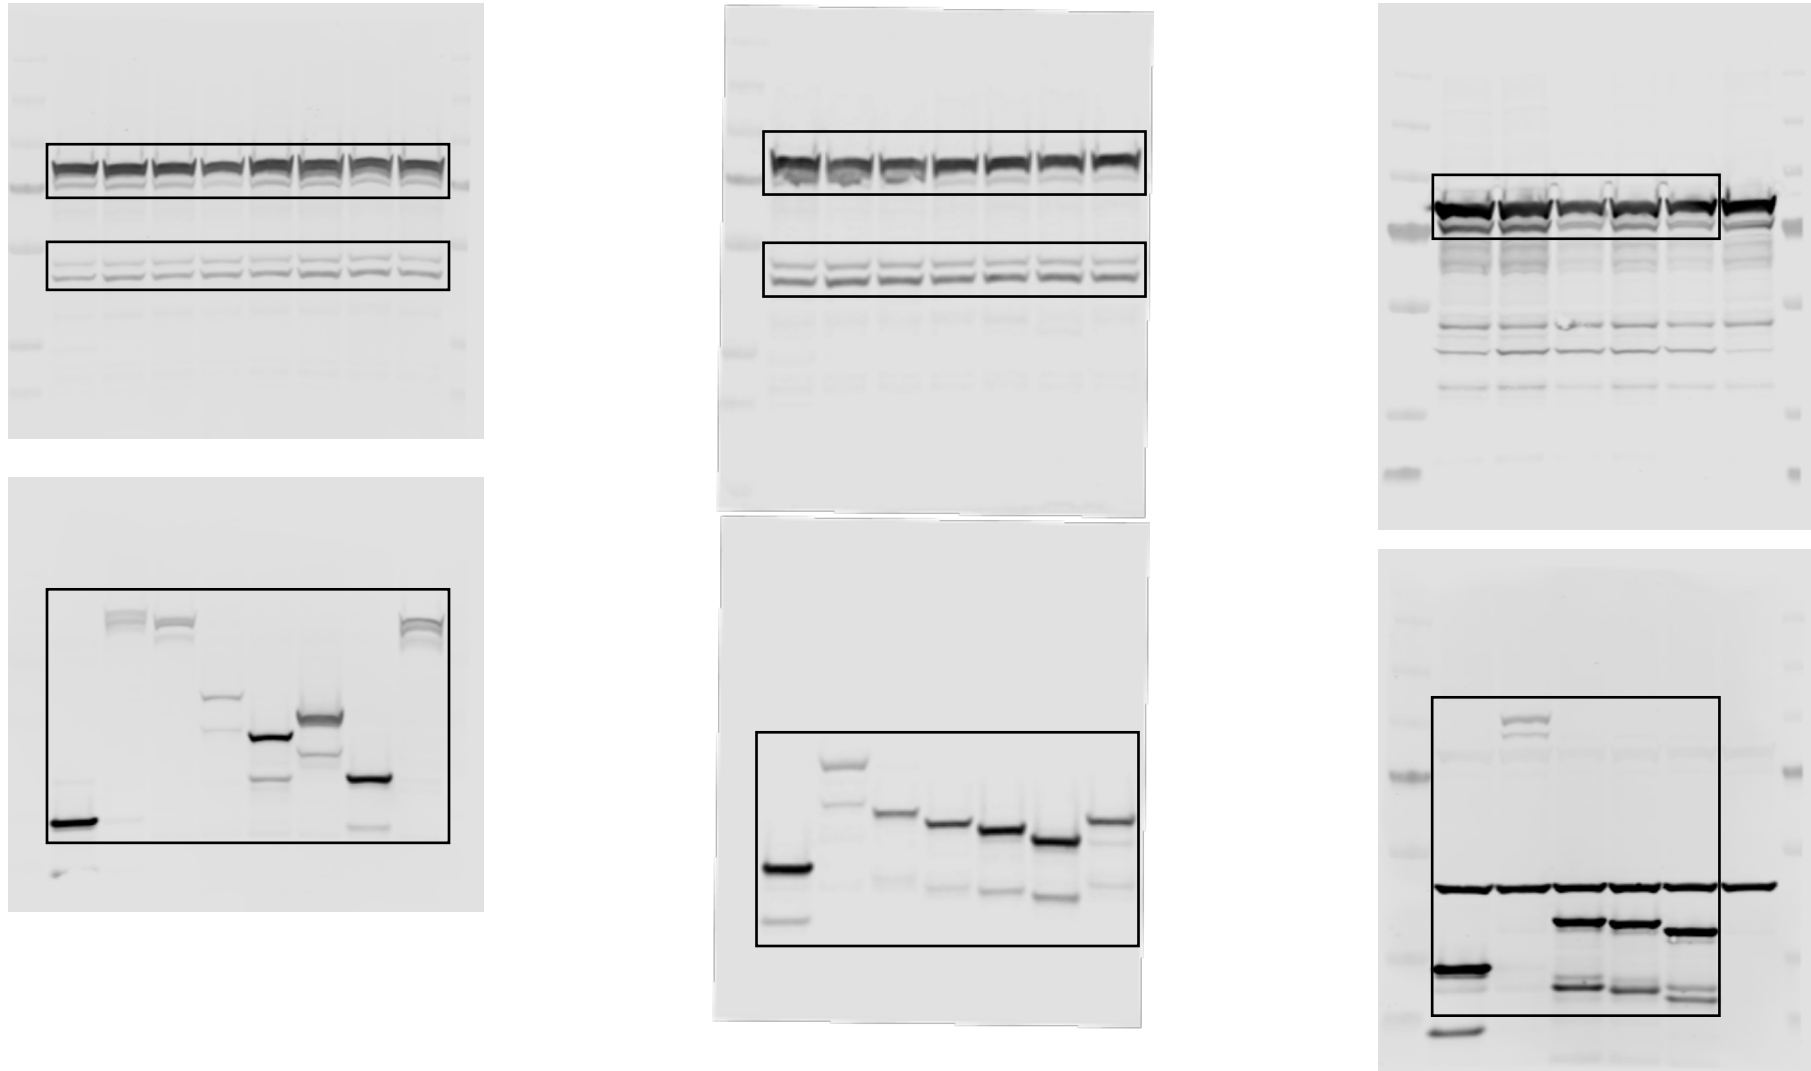

RIPA buffer-soluble and -insoluble fractions
Cropped sections used for figures denoted by black box.

figure S4, panel C

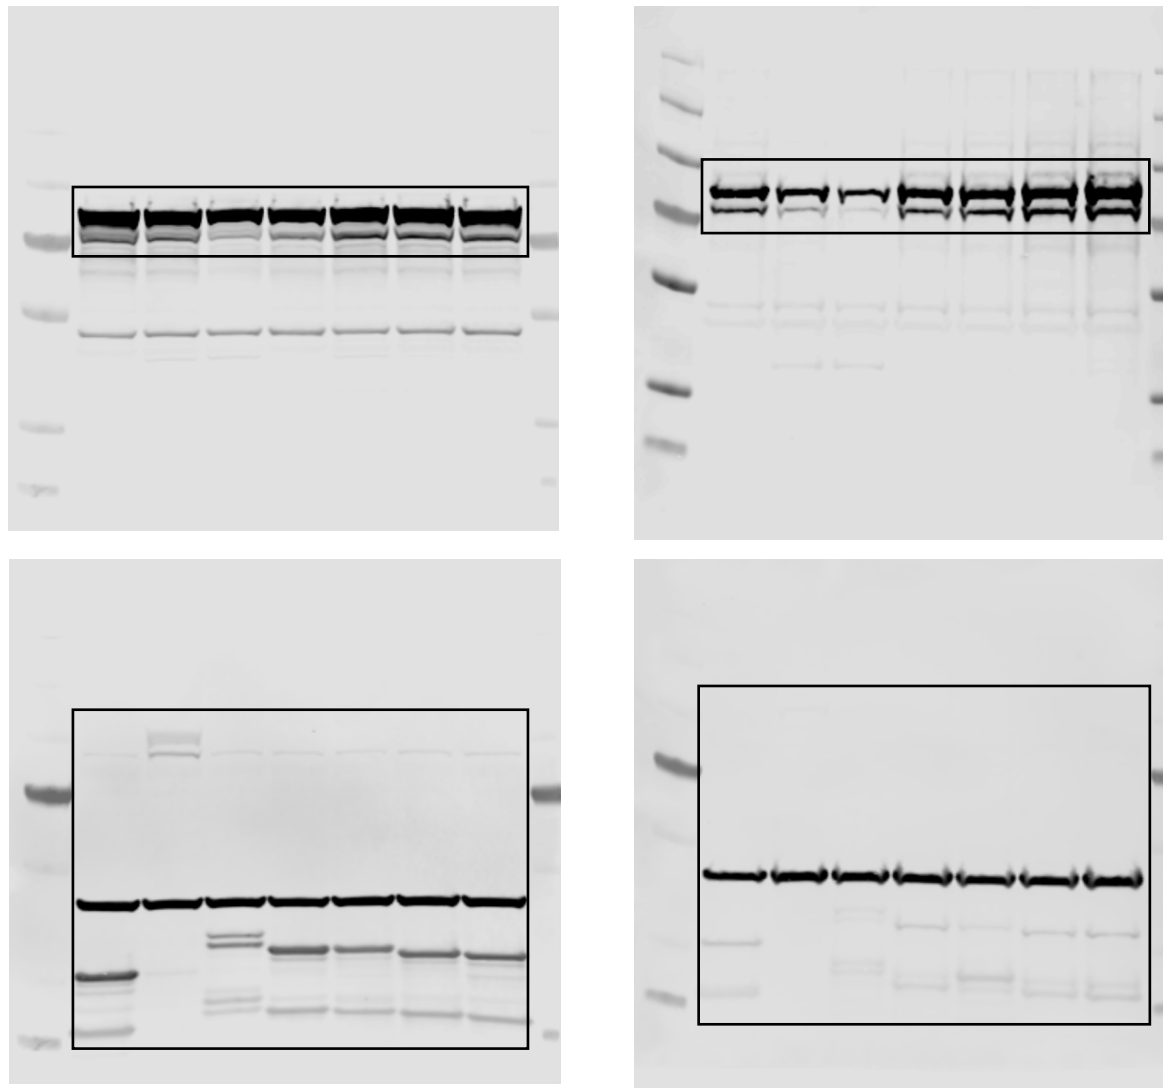

RIPA buffer-soluble and -insoluble fractions
Cropped sections used for figures denoted by black box.

figure S5, panels A-C

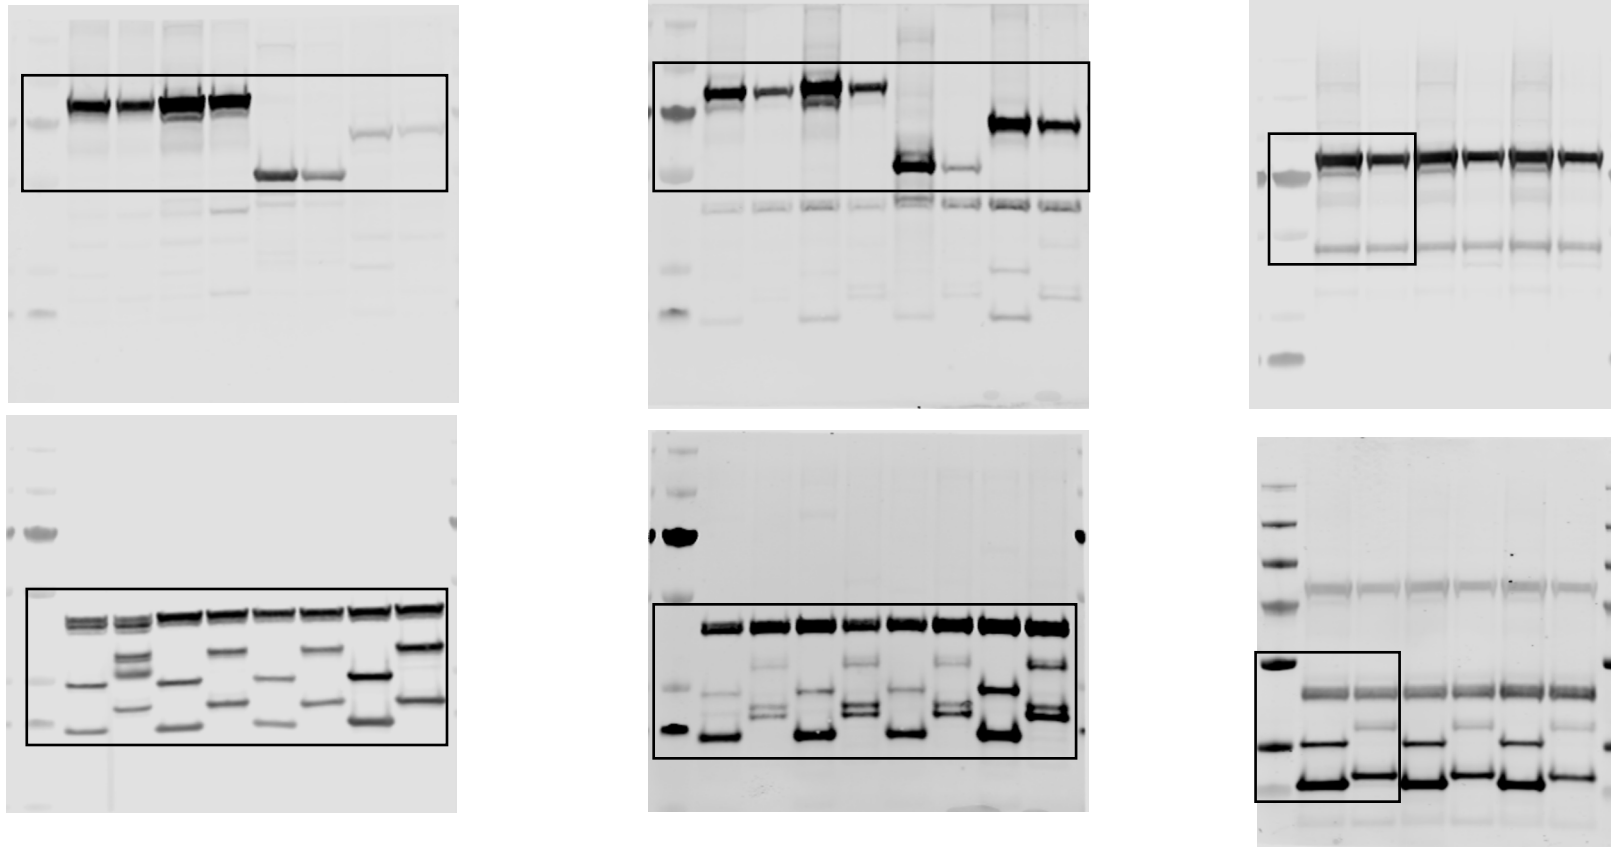

RIPA buffer-soluble fraction
Cropped sections used for figures denoted by black box.

figure S6, panel A

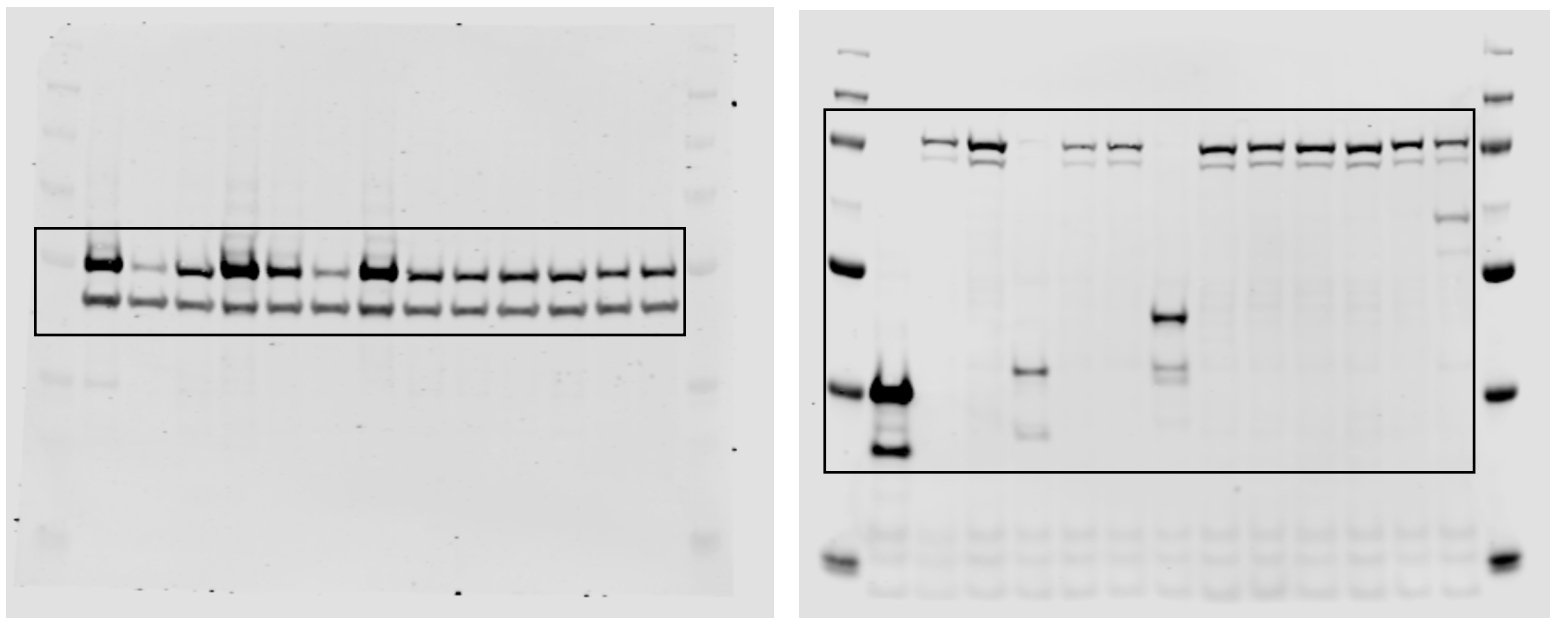

RIPA buffer-soluble and -insoluble fractions
Cropped sections used for figures denoted by black box.

figure S7, panels A-C

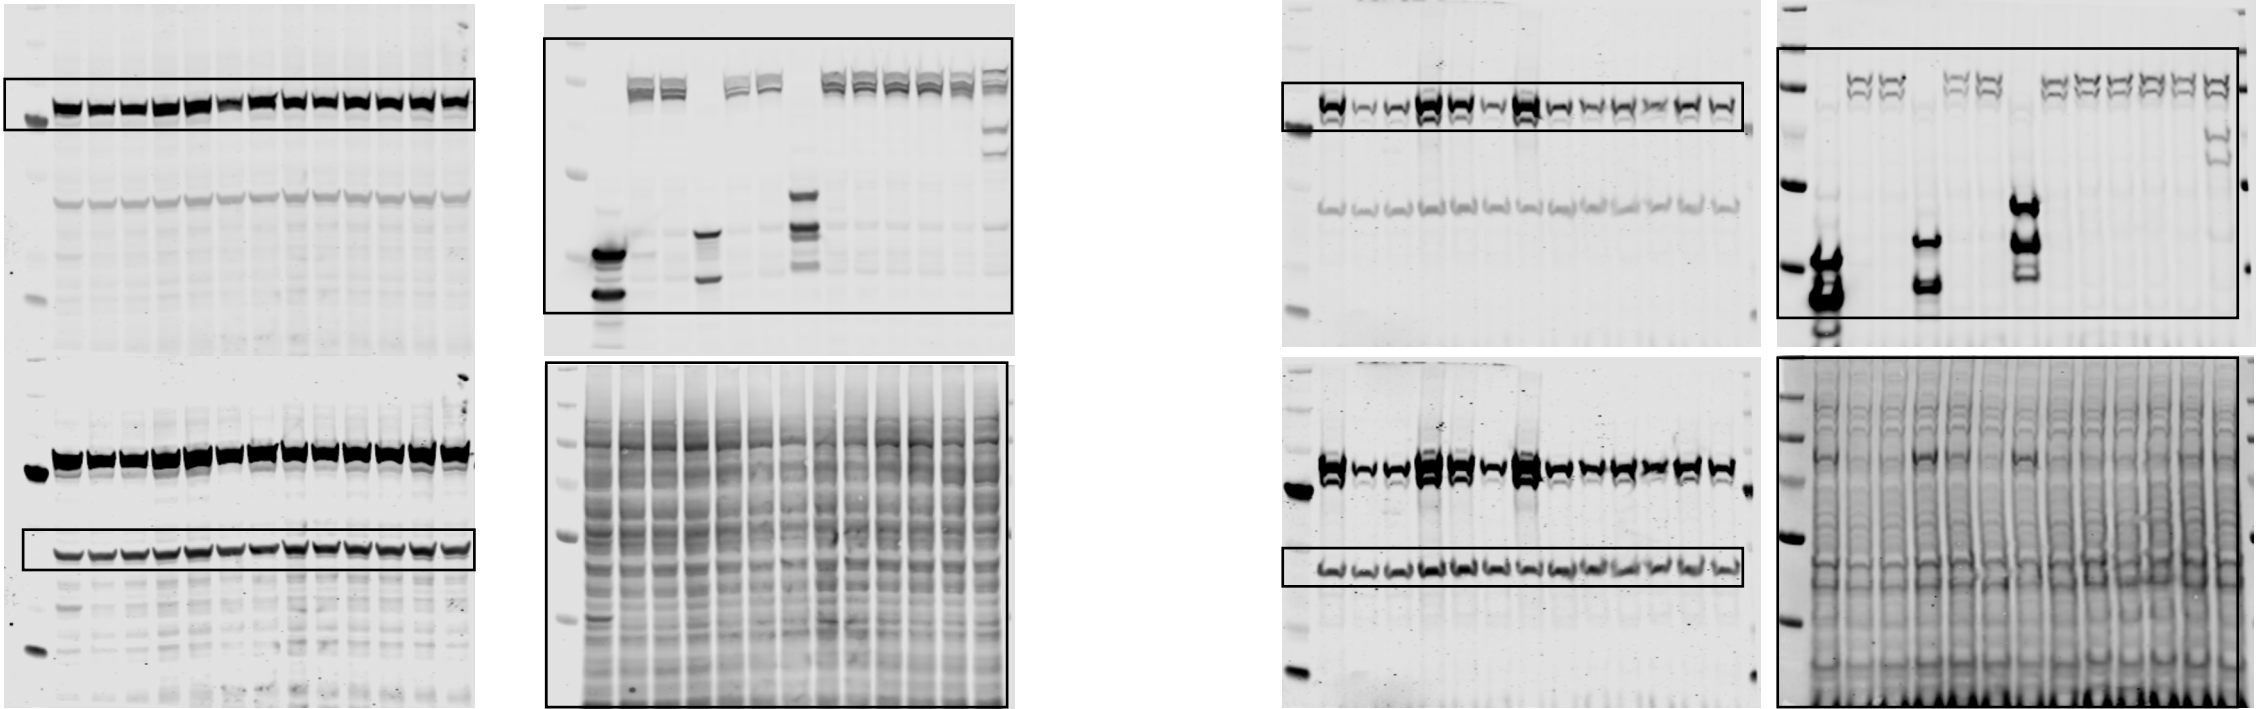

RIPA buffer-soluble and -insoluble fractions; urea total protein fraction (right)
Cropped sections used for figures denoted by black box.

figure S9, panel A

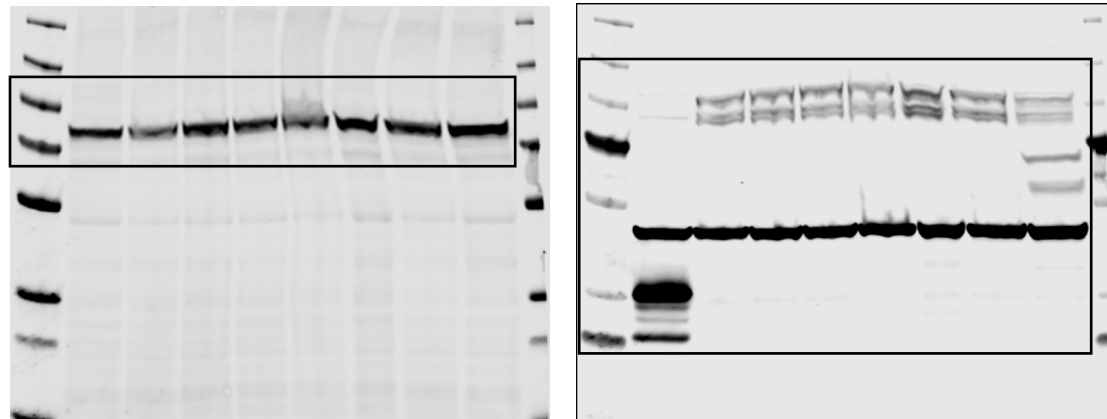

RIPA buffer-insoluble fraction
Cropped sections used for figures denoted by black box.

figure S9, panel C

RIPA buffer-soluble and insoluble fractions
Cropped sections used for figures denoted by black box.

figure S10

RIPA buffer-soluble fraction
Cropped sections used for figures denoted by black box.
