|---|---|---|---|---|---|
| 12. I appreciated receiving a copy of my test report (results) | 1 | 2 | 3 | 4 | 5 |
| 13. I understood the implications of this result for me | 1 | 2 | 3 | 4 | 5 |
| 14. I was happy to have the genetic test at one of my existing oncology appointments or at home rather than a separate appointment with the genetics team | 1 | 2 | 3 | 4 | 5 |
| 15. My appointment with the genetics team helped me understand what the result meant for me and my family | 1 | 2 | 3 | 4 | 5 |
| 16. I am pleased I had the genetic test | 1 | 2 | 3 | 4 | 5 |
| 17. If you would like to make any additional comments about the genetic testing process, you can write them below | | | | | |

Communication about genetic testing: In this section, we will be asking a series of questions to help us understand whom you have discussed the results of your genetic test with. We will be asking about family members you are related to by birth (not through adoption or marriage). Please indicate below whether you have discussed your genetic test results with the following people or groups of people. In the case of family members who are minors (age 17 or younger), please answer “yes” if you discussed your test results with their parent(s) or guardian(s). If you discussed the results differently with relatives in the same category, please select all that apply.

	Yes, I have shared my results	No, I have not shared my results but plan to	No, I have not shared my test results and do not plan to	Not applicable
Mother, by birth				
Father, by birth				
Sister(s), related to you by birth				
Brother(s), related to you by birth				
Daughter(s), related to you by birth				
Son(s), related to you by birth				
Grandparent(s), related to you by birth				
Grandchildren, related to you by birth				
Cousins, related to you by birth				
Aunts or uncles, related to you by birth				
Nieces or nephews, related to you by birth				

Thinking back on the conversations you have had with family members about your test results, please indicate whether you agree or disagree with the following statements:

	Strongly disagree	Disagree	Unsure	Agree	Strongly agree
1. I was confident in my ability to explain the results of my test	1	2	3	4	5
2. I was confident in my ability to explain what my test results mean to me	1	2	3	4	5
3. I was confident in my ability to explain what my test results mean for my family members	1	2	3	4	5
4. The results letter helped me talk about my test results with my family	1	2	3	4	5

	Yes	No
5. I shared the results letter with one or more family members	1	2
