

patient 1 Variant Allele Frequency of somatic mutations

patient 1 Variant Allele Frequency of heterozygous germline SNPs

patient 1 estimated copy number

patient 2 Variant Allele Frequency of somatic mutations

patient 2 Variant Allele Frequency of heterozygous germline SNPs

patient 2 estimated copy number

patient 3 Variant Allele Frequency of somatic mutations

patient 3 Variant Allele Frequency of heterozygous germline SNPs

patient 3 estimated copy number

patient 4 Variant Allele Frequency of somatic mutations

patient 4 Variant Allele Frequency of heterozygous germline SNPs

patient 4 estimated copy number

patient 5 Variant Allele Frequency of somatic mutations

patient 5 Variant Allele Frequency of heterozygous germline SNPs

patient 5 estimated copy number

patient 6 Variant Allele Frequency of somatic mutations

patient 6 Variant Allele Frequency of heterozygous germline SNPs

patient 6 estimated copy number

patient 7 Variant Allele Frequency of somatic mutations

patient 7 Variant Allele Frequency of heterozygous germline SNPs

patient 7 estimated copy number

patient 8 Variant Allele Frequency of somatic mutations

patient 8 Variant Allele Frequency of heterozygous germline SNPs

patient 8 estimated copy number

patient 9 Variant Allele Frequency of somatic mutations

patient 9 Variant Allele Frequency of heterozygous germline SNPs

patient 9 estimated copy number

patient 10 Variant Allele Frequency of somatic mutations

patient 10 Variant Allele Frequency of heterozygous germline SNPs

patient 10 estimated copy number

patient 11 Variant Allele Frequency of somatic mutations

patient 11 Variant Allele Frequency of heterozygous germline SNPs

patient 11 estimated copy number

patient 12 Variant Allele Frequency of somatic mutations

patient 12 Variant Allele Frequency of heterozygous germline SNPs

patient 12 estimated copy number

patient 13 Variant Allele Frequency of somatic mutations

patient 13 Variant Allele Frequency of heterozygous germline SNPs

patient 13 estimated copy number

patient 14 Variant Allele Frequency of somatic mutations

patient 14 Variant Allele Frequency of heterozygous germline SNPs

patient 14 estimated copy number

patient 15 Variant Allele Frequency of somatic mutations

patient 15 Variant Allele Frequency of heterozygous germline SNPs

patient 15 estimated copy number

patient 16 Variant Allele Frequency of somatic mutations

patient 16 Variant Allele Frequency of heterozygous germline SNPs

patient 16 estimated copy number

patient 17 Variant Allele Frequency of somatic mutations

patient 17 Variant Allele Frequency of heterozygous germline SNPs

patient 17 estimated copy number

patient 18 Variant Allele Frequency of somatic mutations

patient 18 Variant Allele Frequency of heterozygous germline SNPs

patient 18 estimated copy number
