

All linear junction z scores Adrenal

All circular z scores Adrenal

**Adrenal junctions circular vs.
max linear z score
per gene Fetal_Adrenal_360**

Adrenal junctions circular vs. median linear z score per gene Fetal_Adrenal_360

All circular z scores Heart

Heart junctions circular vs. median linear z score per gene Fetal_Heart_361

All linear junction z scores Intestine

All circular z scores Intestine

**Intestine junctions circular vs.
max linear z score
per gene Fetal_Intestine_360**

**Intestine junctions circular vs.
median linear z score
per gene Fetal_Intestine_360**

All linear junction z scores Lung

All circular z scores Lung

**Lung junctions circular vs.
max linear z score
per gene Fetal_Lung_361**

**Lung junctions circular vs.
median linear z score
per gene Fetal_Lung_361**

All linear junction z scores Stomach

All circular junction z scores Stomach

Stomach junctions circular vs. max linear z score per gene Fetal_Stomach_360

Stomach junctions circular vs. median linear z score per gene Fetal_Stomach_360
