Approval of Data protection impact assessment (DPIA)

The Head of Department of Physiotherapy at Faculty of Health Sciences at OsloMet, Hege Bentzen, approves the Data protection impact assessment conducted by Kristiania University College, OsloMet and Manpower AS for «Returning people with persistent pain to work using Individual Supported Employment placements (RelSE)» with Sikt project number «693603». The project meets the requirements of the privacy legislation, and can start as described in the notification form. In the event of changes, Sikt will be contacted and my help with a new assessment.

Regards

Hege Bentzen
The Head of Department, Physio, HV, OsloMet

Ingrid S. Jacobsen
The Data Protection Officer, OsloMet
