

Hello. This survey is being run by the Children's Allergy & Asthma Education Centre (www.caaec.ca) at the Children's Hospital in Winnipeg.

This survey is for students with food allergy ages 7 to 12 years old.

We would like your ideas about food allergy in school.

We do not need to know your name and will not know who answered these questions.

When you are done, if you want, ask your parent to send us their email address and you will have a chance to win a Toys R Us Gift Card for \$50.
