Ovid MEDLINE(R) and Epub Ahead of Print, In-Process & Other Non-Indexed Citations, Daily and Versions(R) 1946 to May 05, 2021	06/05/2021	624
Total		2256
After duplicates removed		1545

We searched the databases listed above on 6th May 2021. Records from each database were exported to EndNote. Duplicates were removed using hand searching and the “Find Duplicates” function within EndNote. Unique results were uploaded to Rayyan. Example search strategies from each of the bibliographic databases are available below.
