Japan Kampo Medicine Education Foundation
2023 Japan Kampo Medicine Education Research Grant Notification of Results

Following the recent selection committee and board meeting, we are pleased to announce that your application for the 2023 Kampo Medicine Education Research Grant has been **approved**. We hereby notify you of this decision.

Please submit the required “Research Grant Application Form” to the foundation’s office by mail or email.

As stated in the enclosed “2023 Kampo Medicine Education Research Grant Implementation Guidelines”, please submit an interim report detailing the research results and financial status by the end of August 2024. Additionally, please submit the final research results report by the end of October 2025, and the final financial report by the end of November 2025 (see enclosed “Documents to be Submitted by Grant Recipients”).

Please also prepare to present your final research results at the foundation's symposium, held annually on the second Saturday of February. We appreciate your attention to these matters and look forward to your participation in the symposium.
