Interview Guideline

1. What did you think about the SEL classes? (Can you describe your overall experience with the SEL classes?)

2. Which activities in the SEL classes did you enjoy the most? Why? (Were there any specific activities that you found particularly fun or interesting?)

3. Which activities do you think were the most helpful for you? Why? (How did these activities help you in your daily life or interactions with others?)
4. Do you think there have been any changes in bullying at your school since the SEL classes started? (Have you noticed any differences in how students treat each other?)
5. Has your own behavior changed because of the SEL classes? If so, how? (Do you feel more confident in handling bullying situations or supporting others?)
6. What suggestions do you have to make SEL classes more effective? (Is there anything you would change or add to improve the program?)
