

Semi-Structured Interview Questions

Semi-structured interview questions for teachers and school administrators:

1. What are the main DEIB Practices in your school?
2. How do you accredit DEIB practices in your courses?
3. When you think about your other extracurricular educational activities (projects, events, thesis studies, etc.), what activities support DEIB?
4. What are the institutions and organizations you cooperate with in DEIB studies? How do you cooperate with these institutions and organizations?
5. What would you like to change if you were the decision maker on DEIB Practices? How?
