

Have a firearm in your home?

You are invited to participate in an ANONYMOUS study to help us better understand how firearms are stored in the homes of children and what firearm storage methods families prefer.

STUDY ELIGIBILITY

- You are a parent or caregiver of a child
 - You are 18 years of age or older
 - You have a firearm in your home

STUDY PROCESS

- Voluntary participation by taking a survey
- All surveys are anonymous and will not be linked to your ER visit
 - The survey will take 5-10 minutes
- Scan the QR code below to take the survey on your phone or tablet

\$5 electronic gift card will be given for participation
