

Co-creation sessions

Date:

Session nr. en content:

- ☞ What was said? What was not said?
- ☞ Who was involved? Who wasn't?
- ☞ What was done, what was achieved? What was not done, What was not achieved?
- ☞ Were there strong, outspoken opinions/emotions?
- ☞ What went well? (group level)
- ☞ Which group qualities came to the foreground?
- ☞ How can we bring out the qualities in the group?
- ☞ What can be approved in the group process?
- ☞ What went well? (individual level)
- ☞ What can be approved in the facilitating role of the researcher?
- ☞ Other remarks?
