

Evaluation of the CHA Lived Experience Panel - Research Team feedback

Thank you for taking part in this survey, your responses will be recorded anonymously and used to inform the evaluation of the CHA Lived Experience Panel.

This survey should take around 15-20 minutes to complete. If you have any questions please contact mohasin.ahmed@glasgow.ac.uk.

Section 1: Your experience working with the CHA LEP

Please answer the following questions in as much detail as possible. If yes, give please give examples where possible. If no, what would you have liked to happen?

1. Have you worked on a research project before that had a Patient and Public Involvement component? ☐

☐ Yes

☐ No

2. If yes, how did the CHA LEP compare/differ from previous PPI activities you have encountered?

If no, what were your expectations and how did the delivery of the CHA LEP compare? ☐

Clear my
answer

3. Did you attend any of the LEP meetings?

☐ Yes (please write how many you attended)

☐ No (please continue to question 9)

**4. Do you have feedback on the facilitation and delivery of the LEP meetings?
Were they structured in a way that enabled productive engagement with the
Panel?**

Clear my
answer

**5. Do you feel that the Panel's activities were appropriately designed to support
the projects research objectives and enabled Panel members to input effectively?**

Clear my
answer

6. Did you face any challenges in working with the Panel?

Clear my
answer

7. How effective was the communication and feedback from Panel members and via the LEP facilitator during and outside of meetings? ☐

Clear my
answer

8. Do you feel that the feedback from the LEP has been clearly communicated to the research team? ☐

Clear my
answer

9. Do you have any thoughts on the methods of feedback used within the Panel, for example the You Said, We Did log? ☐

Clear my
answer

10. In future projects with a PPI component is there anything you would do or recommend that is to be done differently to the approach taken in the CHA project?

Clear my
answer

Section 2: The LEP's impact on the research

11. Do you feel that the involvement of the LEP influenced the design and delivery of the CHA research project?

If so, in what ways?

If not, how could this have been improved?

Clear my
answer

12. Do you feel that the involvement of the LEP influenced the outputs of the CHA research project?

If so, in what ways?

If not, how could this have been improved?

Clear my
answer

13. From your perspective, can you give specific examples of how feedback from the Panel has impacted decisions or directions taken in the project? ☐

Clear my
answer

14. In your experience, how effective has the LEP been as a method for including community members in the research process? ☐

Clear my
answer

15. Have there been instances where the Panel's recommendations conflicted with the research objectives? If yes, how were these managed?

Please give an example. ☐

Clear my
answer

16. Do you think there are areas which could have been improved to support the integration of the LEP into the research process? ☐

Clear my
answer

Section 3: Final reflections

17. From your point of view, what has been the most successful aspect of the LEP's involvement in the research? ☐

Clear my
answer

18. Have you learned anything personally and/or professionally from working with the LEP? ☐

Clear my
answer

19. Has working with the Panel changed your perspective on public involvement in research? If so, how? ☐

Clear my
answer

20. Is there anything else you would like to share about your experience working with the CHA LEP? ☐

Clear my
answer
