Screen Out Message

Unfortunately you are not eligible for the study. Thank you very much for your interest and time!

Closing

Thank you for your response! Someone from the research team will contact you to let you know if you are eligible for the study. We look forward to connecting with you soon.

Note: will not automatically screen out for answering no to some of the questions above as a team member may need to verify the answers with participants in case there was any confusion in how they answered it. Additionally, if there is limited recruitment, we may need to have those with less experience participate.
