

## Standards for Reporting Qualitative Research (SRQR)

| No. | Topic                                                                                        | Item Location in Manuscript (page numbers) |
|-----|----------------------------------------------------------------------------------------------|--------------------------------------------|
| S1  | Title                                                                                        | 1                                          |
| S2  | Abstract                                                                                     | 2                                          |
| S3  | Problem formulation                                                                          | 3-6                                        |
| S4  | Purpose or research question                                                                 | 7                                          |
| S5  | Qualitative approach and research paradigm                                                   | 7-9                                        |
| S6  | Researcher characteristics and reflexivity                                                   | 7-9                                        |
| S7  | Context                                                                                      | 7-9                                        |
| S8  | Sampling strategy                                                                            | 7-9                                        |
| S9  | Ethical issues pertaining to human subjects                                                  | 9                                          |
| S10 | Data collection methods                                                                      | 9-11                                       |
| S11 | Data collection instruments and technologies                                                 | 9-11                                       |
| S12 | Units of study                                                                               | 9-11                                       |
| S13 | Data processing                                                                              | 9-11                                       |
| S14 | Data analysis                                                                                | 9-11                                       |
| S15 | Techniques to enhance trustworthiness                                                        | 9-11                                       |
| S16 | Synthesis and interpretation                                                                 | 12-25, Additional File 1                   |
| S17 | Links to empirical data                                                                      | Figure 3, Figure 4                         |
| S18 | Integration with prior work, implications, transferability, and contribution(s) to the field | 25-27                                      |
| S19 | Limitations                                                                                  | 27                                         |
| S20 | Conflicts of interest                                                                        | 30                                         |
| S21 | Funding                                                                                      | 30                                         |
